Safety Instruction Guide for CMMG AR15 16" 5.56 Barrel

Introduction

Thank you for choosing the CMMG AR15 16" 5.56 Barrel. This product is designed for use with AR15 and M16 rifles chambered in 5.56mm NATO. To ensure your safety and the safety of others, please read this guide thoroughly before using the product. It contains important information regarding safe handling, installation, and usage.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the barrel is installed correctly before using the firearm.
- Use only ammunition that is compatible with the barrel specifications.
- Store the barrel and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for signs of damage or wear.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation can lead to malfunction or injury.
 - Using incorrect ammunition can cause catastrophic failure.
 - Always ensure the firearm is pointed in a safe direction when handling.
- **Avoiding Hazards:**
 - Ensure the firearm is unloaded before installation.
 - Use only .750" diameter gas blocks with this barrel.
 - Always check the twist rate (17) to ensure compatibility with your ammunition.
- **Age Specific Warnings:**
 - This product is not intended for use by individuals under the age of 18 without adult supervision.
 - Keep the product out of reach of children.

Instructions for Installation and Usage

1. Installation Instructions:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel by following the manufacturer's guidelines.
- Install the new CMMG AR15 16" 5.56 Barrel:
 - Align the barrel with the upper receiver.
 - Secure the barrel nut according to the manufacturer's torque specifications.
 - Attach the gas block to the .750" diameter location and ensure it is properly aligned.
- Reassemble the firearm and perform a function check.

2. Usage Instructions:

- Load the firearm with compatible 5.56mm NATO ammunition.
- Always wear appropriate eye and ear protection when firing.
- Maintain a safe firing distance and ensure a clear line of sight.
- Regularly clean and maintain the barrel to ensure optimal performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not discard in regular household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support
