

HURRICANE TARGET STAND - CHALLENGE TARGETS HURRICANE TARGET STAND

[Shooting Accessories](#) > [Targets & Accessories](#) > [Target Stands](#)

The adjustable width design will support all your paper and cardboard targets and will stay upright in heavy winds and extreme weather conditions. The 1/4" thick, 12" long, steel ground stake can be pushed or hammered into almost any terrain. Spring loaded tubes and thumb screws snugly secure standard 1x2 wood furring strips. Support all your paper and cardboard targets with this precision steel target holder. Designed for high wind areas and adverse weather conditions. Adjustable width for law enforcement style or IDPA / IPSC targets (18"-23").

HURRICANE TARGET STAND Safety Instructions

Introduction

Thank you for choosing the HURRICANE TARGET STAND. This product is designed to provide a reliable and sturdy platform for your paper and cardboard targets, even in challenging weather conditions. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as a target stand.
- Always inspect the target stand for any damage or wear before each use. Do not use if any part is damaged.
- Keep the target stand out of reach of children and vulnerable individuals when not in use.
- Use the target stand in wellventilated outdoor areas only.
- Be aware of your surroundings and ensure that the area is safe for target practice.

Specific Safety Precautions for Use

- Always secure the target stand with the provided ground stake to prevent it from tipping over in windy conditions.
- Avoid using the target stand during extreme weather conditions such as heavy rain, snow, or strong winds.
- Do not exceed the adjustable width limit of 18"23" to ensure stability.
- Use only standard 1x2 wood furring strips for securing targets. Ensure they are tightly secured with the springloaded tubes and thumb screws.
- Do not attempt to modify or alter the target stand in any way, as this may compromise its safety and effectiveness.

Instructions for Installation and Usage

1. Unpack the Product

- Carefully remove the HURRICANE TARGET STAND and all components from the packaging.
- Ensure all parts are present: brackets, ground stake, and any necessary hardware.

2. Select a Suitable Location

- Choose a flat, stable surface for installation, away from any obstacles or bystanders.
- Ensure that the area is safe for shooting and complies with local regulations.

3. Install the Ground Stake

- Take the 1/4" thick, 12" long steel ground stake.
- Push or hammer the stake into the ground until it is firmly secured. Ensure it is upright and stable.

4. Attach the Target Holder

- Adjust the width of the target holder to your desired setting (between 18" and 23").
- Securely attach the standard 1x2 wood furring strips into the springloaded tubes.
- Use the thumb screws to tightly secure the strips in place.

5. Check Stability

- Once everything is assembled, gently shake the target stand to ensure it is stable and secure.

- Make any necessary adjustments before proceeding to use the target stand.

6. Using the Target Stand

- Place your paper or cardboard targets on the secured wood furring strips.
- Ensure that the targets are properly aligned and secured before shooting.

Disposal Instructions

- When the HURRICANE TARGET STAND reaches the end of its life or is no longer usable, dispose of it responsibly.
- Check local regulations for recycling or disposal of metal and other materials.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or product concerns, please refer to the manufacturer's contact information provided with your purchase.

By following these safety instructions, you can ensure a safe and enjoyable experience with your HURRICANE TARGET STAND. Thank you for your attention to these important safety guidelines.
