

# AR-15 LOW MASS 5.56 BOLT CARRIER GROUP - RUBBER CITY ARMORY AR-15 LOW MASS 5.56 BOLT CARRIER GROUP

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

A major player on the 3Gun scene the RCA low mass BCG is compatible with all AR-15 platform systems. Made from 8620 steel and finished with H&M's Blacknitride+ treatment this carrier is lighter than the standard M16 carrier. Weighing in at just over 8.9 ounces the RCA competition carrier makes a noticeable difference in felt recoil. The carrier comes with the Nitrided and side staked stainless steel billet gas key, our Nitrided 17-4 stainless firing pin and our precision machined 9310 nitrided bolt with tool steel extractor.

# Safety Instructions for AR15 Low Mass 5.56 Bolt Carrier Group

## Introduction

Thank you for choosing the AR15 Low Mass 5.56 Bolt Carrier Group from Rubber City Armory. This product is designed for use in AR15 platform systems and is engineered to enhance performance, particularly in competitive shooting environments. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Always ensure that the product is used in accordance with the manufacturer's instructions. Improper use may lead to malfunctions or accidents.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product. If a recall is issued, follow the instructions provided by the manufacturer.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety regulations and provides a safe shopping experience.
- **Special Consumer Focus:** Keep this product out of reach of children. It is intended for use by adults who are knowledgeable about firearms.
- **EU Contact Point:** For any safety inquiries, refer to the manufacturer's contact information, which is available on their official website.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Firearms Safety:** Always treat the firearm as if it is loaded. Keep the muzzle pointed in a safe direction and your finger off the trigger until ready to shoot.
- **Compatibility Check:** Ensure that this bolt carrier group is compatible with your specific AR15 platform. Refer to the manufacturer's specifications.
- **Inspection:** Before installation, inspect the bolt carrier group for any signs of damage or defects. Do not use if any issues are found.
- **Proper Handling:** Always handle the bolt carrier group with care. Avoid dropping or mishandling it, as this may cause damage.
- **Usage Environment:** Use this product only in appropriate environments and conditions. Avoid exposure to moisture, extreme temperatures, or corrosive substances.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing bolt carrier group from the upper receiver.
- Carefully insert the AR15 Low Mass 5.56 Bolt Carrier Group into the upper receiver.
- Ensure that the bolt carrier group is properly seated and that all components are aligned.
- Reassemble the firearm according to the manufacturer's instructions.

### 2. Usage:

- Always follow standard operating procedures for firearms.
- During firing, monitor the performance of the bolt carrier group. If any unusual sounds or malfunctions occur, cease use immediately and inspect the firearm.
- Clean and maintain the bolt carrier group regularly to ensure optimal performance. Use

appropriate cleaning materials and follow the manufacturer's recommendations.

## Disposal Instructions

- **Disposal of Old Parts:** If replacing an old bolt carrier group, dispose of it in accordance with local regulations. Do not discard in regular household waste.
- **Recycling:** Where possible, recycle components made of metal. Check with local recycling facilities for guidelines.
- **Environmental Safety:** Ensure that any hazardous materials are disposed of in a manner that complies with environmental regulations.

## Contact Information for Further Support

For further assistance or inquiries about the AR15 Low Mass 5.56 Bolt Carrier Group, please refer to the contact information provided on the Rubber City Armory website or the packaging of the product.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your new bolt carrier group. Thank you for your attention to these important guidelines.
