# Safety Instruction Guide for Padded Vickers Sling

## Introduction

Thank you for choosing the Padded Vickers Sling by Blue Force Gear. This guide provides essential safety information and instructions to ensure the safe use of your sling. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the sling is used only for its intended purpose, which is to carry firearms safely and securely.
- Regularly inspect the sling for any signs of wear or damage before each use. Do not use if any damage is detected.
- Keep the sling out of reach of children and unauthorized users.
- Avoid using the sling in conditions that may compromise its integrity, such as extreme temperatures or exposure to harsh chemicals.
- Be aware of your surroundings and ensure that the sling does not pose a risk to yourself or others while in use.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the sling.
- When transitioning from carrying to combatready, do so in a controlled manner to prevent accidental discharge.
- Adjust the sling length carefully to avoid pinching or entrapment.
- Do not exceed the maximum sling length of 67 inches when fully extended.
- If using body armor, ensure that the sling is adjusted accordingly to maintain comfort and functionality.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your firearm.
- Securely attach the sling clips to the designated attachment points, ensuring they are locked in place.
- Adjust the sling length using the Quick Adjuster for a comfortable fit.

### 2. Usage:

- When carrying the firearm, ensure that the sling is properly adjusted to distribute weight evenly across your body.
- To transition to a combatready position, pull the Quick Adjuster to tighten the sling as needed.
- Practice transitioning with an unloaded firearm to become familiar with the sling's operation.

## Disposal Instructions

- When the sling reaches the end of its usable life, dispose of it responsibly.
- Consider recycling the materials where possible, or follow local regulations for disposal of textile products.
- Do not dispose of the sling in a manner that could pose a risk to the environment or safety.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Padded Vickers Sling, please contact the manufacturer directly. Ensure that you have the product details at hand for reference.

## **Conclusion**

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and effective experience with your Padded Vickers Sling. Thank you for your attention to these important safety measures.
