

AR-15/M16 5.56 HAMMER FORGED BARRELS - DANIEL DEFENSE

14.5" 5.56 LIGHTWEIGHT MID-LENGTH BARREL, 1-7 TWIST

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Cold Hammer Forged For Superb Accuracy; Chrome-Lined For Long Life

These barrels are cold hammer-forged from high-grade chromium-molybdenum-vanadium alloy steel for exceptional strength and accuracy potential—like a high-end match rifle barrel. Magnetic particle inspection (MPI) ensures there are no internal flaws in the metal. Durable manganese phosphate finish give excellent resistance to surface wear. Barrel extension has M4-type feed ramps. Choose caliber, profile and length. 5.56x45 barrels come in 10.5", 14.5" and 16" lengths, with the shorter barrels featuring carbine length gas system. Barrels are available in lightweight or government contours, and M4 for the 14.5" length. OD at gas block is .750".

Safety Instruction Guide for AR15/M16 5.56 Hammer Forged Barrels

Introduction

Thank you for choosing the AR15/M16 5.56 Hammer Forged Barrels by Daniel Defense. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your new barrel. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** Ensure the safe use of the barrel in compliance with all applicable regulations. This product is designed for use with firearms and should only be handled by individuals who understand firearm safety.
- **Enhanced Recalls:** Familiarize yourself with the recall procedures for this product. In the event of a safety recall, you will be notified and provided with remedies at no cost.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards equivalent to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the EU-based contact information provided by your retailer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Handling:** Always handle your firearm and barrel with care. Treat every firearm as if it is loaded.
- **Wear Safety Gear:** Use appropriate safety gear, including eye protection and hearing protection, when firing your firearm.
- **Check Compatibility:** Ensure that the barrel is compatible with your firearm model and that it has been installed correctly.
- **Inspect Before Use:** Before each use, inspect the barrel for any signs of damage or wear. Do not use if any defects are found.
- **Follow Manufacturer Instructions:** Always adhere to the manufacturer's instructions for installation and use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel according to your firearm's manual.
- Clean the barrel extension and receiver area to ensure a proper fit.
- Install the new barrel by aligning the barrel extension with the receiver.
- Secure the barrel using the appropriate torque specifications provided in your firearm's manual.
- Verify that the barrel is properly seated and that there are no gaps.

2. Usage:

- Ensure that you are using the correct ammunition (5.56 mm NATO) for your barrel.
- Always check the chamber for obstructions before firing.
- Fire in a controlled environment, using a proper shooting range or designated area.
- Do not exceed the recommended rate of fire to avoid overheating the barrel.

- After use, clean the barrel according to the manufacturer's cleaning guidelines.

Disposal Instructions

- **Disposal of Barrels:** When disposing of the barrel, follow local regulations for hazardous waste disposal. Do not throw the barrel in regular trash.
- **Recycling:** If possible, recycle the barrel through a metal recycling program. Check with local recycling centers for acceptance of firearm components.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of your AR15/M16 5.56 Hammer Forged Barrel, please refer to the contact information provided by your retailer or manufacturer.

By following these safety instructions, you can help ensure that your experience with the AR15/M16 5.56 Hammer Forged Barrels is safe and enjoyable. Thank you for your attention to safety!
