# TRIJICON MRO LOW MOUNTS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TRIJICON MRO Low Mounts by American Defense Manufacturing. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to mount the Trijicon Miniature Rifle Optic securely to a compatible rail system.
- Inspect the mount and all components prior to use to ensure they are free from defects or damage.
- Always follow manufacturer instructions for installation and usage to minimize risks associated with improper handling.
- Keep this product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates related to this product through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the manufacturer's specified weight limit for the mounted optic.
- Ensure that the mount is securely attached to the rail system before use.
- Avoid using the mount in extreme conditions (e.g., excessive heat, cold, or humidity) that could compromise its integrity.
- Regularly check the tightness of the mount to ensure it remains secure during use.
- Use caution when adjusting the mount or optic; improper handling may lead to injury or damage.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Begin by cleaning the mounting surface on your firearm to ensure a secure fit.
- Position the ADMROL mount onto the rail system where you intend to attach the Trijicon Miniature Rifle Optic.
- Align the mount with the rail grooves, ensuring it fits snugly.
- Use the provided tools to tighten the QD Auto Lock™ Lever system until secure. Do not overtighten, as this may damage the rail or mount.

### 2. Usage Guidelines:

- Once installed, check the alignment of the optic to ensure proper sighting.
- Test the mount by gently shaking the optic to confirm it is secure and does not wobble.
- Adjust the optic as necessary for your shooting needs, following the manufacturer's instructions for the optic.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal materials.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact your local waste management authority for proper

disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIJICON MRO Low Mounts, please refer to the manufacturer's website or customer support resources for assistance.

Thank you for following these safety instructions. Your safety and satisfaction are our top priorities.
