# TRIJICON MRO LOW MOUNTS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the TRIJICON MRO LOW MOUNTS by AMERICAN DEFENSE MANUFACTURING. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and usage.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle the mount with care to avoid damage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the mount for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek support.

## Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for the mount.
- Ensure that the mount is compatible with your rifle optic before installation.
- Always use proper tools for installation to avoid damaging the mount or the rifle.
- Avoid using the mount in extreme weather conditions that may affect its performance.
- If using the mount in a tactical environment, ensure that it is securely fastened to prevent accidental detachment.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure the workspace is clean and free of any obstructions.

### 2. Installation Steps

- Align the mount with the rail system on your rifle.
- Use the provided screws to attach the mount securely.
- Tighten the screws to the manufacturer's recommended torque specifications.
- Check the alignment of the mount to ensure it is level and properly positioned.

### 3. Usage Instructions

- After installation, test the mount by gently pulling on it to ensure it is secure.
- Attach the Trijicon Miniature Rifle Optic to the mount according to the optic's user manual.
- Regularly check the tightness of the mount and optic during use, especially after heavy use or transport.

## Disposal Instructions

- Dispose of the mount in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If the mount is damaged beyond repair, contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or customer service resources. It is important to have a reliable point of contact for any safety concerns or product issues.

## **Conclusion**

Following these safety instructions will help ensure that you use your TRIJICON MRO LOW MOUNTS safely and effectively. If you have any questions or concerns, please do not hesitate to reach out to the appropriate support channels. Thank you for your attention to safety.
