

# FMJ 9MM CALIBER (0.355") PISTOL BULLETS - FULL METAL JACKET 9MM (0.355") 147GR ROUND NOSE 2500/BOX

[Reloading](#) > [Bullets](#) > [Pistol Bullets](#)

Hornady® FMJ handgun bullets have long served as a standard for target shooting applications. Hornady® FMJ bullets are built with a rugged jacket and the difference in performance is clear. The thinly plated full metal jacket from other manufacturers is easily distorted and often breaks or separates when the bullet impacts the target. Hornady® FMJ bullets are carefully designed and manufactured to give superior functioning in semi-automatic handguns, and they deliver match-grade accuracy! FEATURES BUILT FOR COMPETITION: Expansion isn't an issue in action pistol shooting, so Hornady removed the expansion-aiding skives. The result is a bullet that delivers the accuracy its sleek appearance promises. NO EXPOSED LEAD: A jam can cost the match for a competitive shooter, and that's why Hornady's jacket protects the nose of Hornady's FMJ bullet. SWAGED CORE: The core of the FMJ bullet is cold swaged from pure lead to deliver consistency, balance and stability in flight. It delivers pinpoint accuracy with every shot.

## Attributes

- Name: [FULL METAL JACKET 9MM \(0.355"\) 147GR ROUND NOSE 2500/BOX](#)

# FMJ 9MM Caliber Pistol Bullets Safety Instruction Guide

## Introduction

Thank you for choosing Hornady® FMJ 9MM Caliber Pistol Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of the product. Please read this guide carefully to understand the necessary precautions and procedures.

## General Safety Guidelines

- Always handle ammunition with care and attention.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when shooting.
- Ensure that your firearm is in good working condition and compatible with 9MM FMJ bullets.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- Do not use damaged or corroded bullets.
- Inspect the bullets before use for any signs of damage or defects.
- Only use bullets in firearms that are specifically designed for 9MM caliber ammunition.
- Avoid mixing different types of ammunition in your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.
- Follow the manufacturer's instructions for your specific firearm regarding loading and firing.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Ensure the firearm is pointed in a safe direction.
- Open the action and verify that the firearm is unloaded.
- Load the FMJ bullets into the magazine according to the firearm's specifications.

### 2. Firing the Firearm:

- Once loaded, ensure that the firearm's safety is disengaged.
- Aim at the target and pull the trigger smoothly.
- After firing, keep the firearm pointed downrange until you are ready to unload.

### 3. Unloading the Firearm:

- Open the action and remove the magazine.
- Eject any remaining bullets from the chamber.
- Check to ensure the firearm is completely unloaded before handling further.

## Disposal Instructions

- Dispose of used bullets and casings in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.

- Contact local waste management authorities for proper disposal methods.
- Ensure that all disposed materials are secured and inaccessible to children and pets.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and usage of Hornady® FMJ 9MM Caliber Pistol Bullets, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety guidelines and instructions, you can ensure a safer shooting experience with Hornady® FMJ 9MM Caliber Pistol Bullets. Thank you for your attention to safety.
