

ULTIMATE RIFLE 4-DIE SETS - LEE PRECISION 6.5MM CREEDMOOR 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Choose this die set for maximum versatility. The set features a full length-resizing die to return brass to factory new dimensions, perfect for reloading brass fired in other guns. The Collet Neck sizing die is used on your fire formed brass giving you best possible accuracy. No case lube required and cases last almost forever. The Easy Adjust Dead Length Bullet seating die foolproofs the bullet seating adjustment, and assures perfect seating depth every time. The Factory Crimp die provides a secure crimp on bullets with or without a crimp groove. In most cases it helps accuracy by providing a uniform higher start pressure and gives the finished cartridge Factory like accuracy and dependability. The set is complete, with shell holder, powder measure and famous Lee load data featuring all common brands of powder organized in a easy to read logical format. Includes a full length sizer, collet necksizer, Easy Adjust Dead Length Bullet Seating Die & Factory Crimp Die.

ULTIMATE RIFLE 4DIE SET LEE PRECISION 6.5MM CREEDMOOR Safety Instruction Guide

Introduction

Thank you for choosing the ULTIMATE RIFLE 4DIE SET LEE PRECISION 6.5MM CREEDMOOR. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire guide carefully before using the die set.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Store the die set in a dry, secure location away from children and pets.
- Ensure you are familiar with local laws and regulations regarding reloading ammunition.
- Use only recommended materials and components as specified in the product documentation.
- Regularly inspect your equipment for wear and damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**
 - Always wear safety glasses to protect your eyes from debris.
 - Consider wearing gloves to protect your hands from sharp edges and chemicals.
- **Handling Brass:**
 - Be cautious when handling fired brass, as it may have sharp edges or residual gunpowder.
 - Ensure that brass is clean and free from obstructions before resizing.
- **Die Setup:**
 - Follow the manufacturer's instructions for die setup to avoid misalignment.
 - Ensure that the die is securely fastened to prevent movement during operation.
- **Reloading Process:**
 - Never exceed recommended powder charges as specified in load data.
 - Avoid distractions while reloading to maintain focus and accuracy.
 - Keep your workspace clean and organized to prevent accidents.
- **Crimping:**
 - Use the Factory Crimp Die carefully to avoid overcrimping, which can damage bullets.
 - Check the crimp on a sample cartridge before proceeding with the entire batch.

Instructions for Installation and Usage

- **Installation:**
 - Securely mount the die set onto your reloading press according to the manufacturer's instructions.
 - Ensure that the shell holder is compatible with the brass you are using.
 - Adjust the dies as necessary for your specific reloading needs, following the provided guidelines.

- **Usage:**

- Start with the full length resizing die to resize your brass cases.
- Use the Collet Neck Sizing Die for fireformed brass to achieve optimal accuracy.
- Adjust the Easy Adjust Dead Length Bullet Seating Die to ensure correct bullet seating depth.
- Utilize the Factory Crimp Die for a secure crimp on your finished cartridges.

- **Maintenance:**

- Clean the dies regularly to prevent buildup of residue.
- Store the die set in its original packaging or a dedicated case to protect it from damage.

Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Recycle brass cases where possible, following local recycling guidelines.
- Do not dispose of hazardous materials, such as spent primers or powder, in regular trash. Follow local hazardous waste disposal protocols.

Contact Information for Further Support

For any questions or concerns regarding the ULTIMATE RIFLE 4DIE SET LEE PRECISION 6.5MM CREEDMOOR, please consult the manufacturer's website or contact their customer support. It is essential to ensure that you have the most up to date information regarding safety and usage.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience!
