Safety Instruction Guide for INSIDE WAISTBAND MAGAZINE CARRIER

Introduction

Thank you for choosing the INSIDE WAISTBAND MAGAZINE CARRIER by Galco International. This guide provides essential safety information and instructions for the safe use of your product. Please read this guide carefully to ensure proper handling and to avoid any potential hazards.

General Safety Guidelines

- Ensure safe use of the magazine carrier by following all instructions provided in this guide.
- Be aware of the potential risks associated with improper use, including accidental discharge of the firearm.
- Always store the magazine carrier and any associated equipment out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the carrier, and discontinue use if any defects are found.
- If you experience any issues with the product, report them to the appropriate authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before inserting or removing the magazine from the carrier.
- Use the magazine carrier only with compatible magazines and firearms as specified by the manufacturer.
- Adjust the belt loop and clip to ensure a secure fit on your belt before use.
- Ensure that the raised sweat guard is positioned correctly to protect your body from contact with the magazine.
- Avoid exposing the carrier to extreme temperatures or moisture, which may affect its integrity.

Instructions for Installation and Usage

1. Installation of the Carrier:

- Choose a suitable belt that is up to 1 ¾" wide.
- Attach the Santoprene® belt loop or tuckable metal belt clip securely to your belt.
- If using CHooks, ensure they are properly installed for maximum concealability.

2. Usage of the Carrier:

- Insert the magazine into the carrier, ensuring it is seated correctly.
- Position the carrier at a comfortable location on your waistband, ensuring easy access while maintaining concealment.
- Adjust the height of the carrier as needed for personal comfort and accessibility.
- Always check that the magazine is secure before moving or engaging in activities.

Disposal Instructions

- Dispose of the magazine carrier responsibly at the end of its life cycle.
- If the product is damaged or no longer usable, consider recycling materials where possible.
- Follow local regulations for the disposal of plastic and metal components.
