# **SUPER 42 TUNGSTEN BUFFER WEIGHT Safety Instruction Guide**

## **Introduction**

Thank you for choosing the SUPER 42 TUNGSTEN BUFFER WEIGHT by Geissele Automatics. This guide provides essential safety instructions to ensure the safe use and installation of your product. Please read this guide carefully before using the buffer weight.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always wear appropriate safety gear, such as eye protection, when handling firearms and related accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- This product is designed specifically for use with AR15 platforms. Do not attempt to use it with other firearm types.
- Ensure that the buffer weight is securely installed before operating the firearm.
- Do not exceed the manufacturer's recommended weight limits for your buffer setup (H1 / H2 / H3).
- Be aware of the increased weight and its potential impact on firearm handling and performance.
- Always follow the firearm manufacturer's guidelines regarding recoil management and buffer weight compatibility.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and safe to work on.
- Remove the existing buffer from the buffer tube.
- Insert the SUPER 42 TUNGSTEN BUFFER WEIGHT into the buffer tube.
- Reassemble the buffer system according to the manufacturer's instructions.
- Verify that the buffer weight is securely in place before proceeding.

### **2. Usage:**

- After installation, conduct a function check of the firearm to ensure proper operation.
- Familiarize yourself with the handling characteristics of your firearm with the new buffer weight.
- If you notice any unusual behavior during operation, discontinue use and consult a qualified gunsmith.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding hazardous materials and waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the manufacturer's contact information available on their official website or product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your SUPER 42 TUNGSTEN BUFFER WEIGHT. Always prioritize safety and remain informed of best practices for firearm handling and maintenance. Thank you for your attention to these important guidelines.
