Top Quality, Holster Systems For Concealed Carry; Handmade In The U.S.A.

World famous, expertly crafted holsters and accessories provide superior fit, function and concealability for law enforcement, security and personal protection. Cut from the top 2% of the finest, "Number One" grade, U.S. vegetable tanned steer hides, then hand-molded to the specific firearm for a perfect fit. Horsehide models are constructed in the same, painstaking manner. Galco's naturally luminous, tan color is achieved with four to six, hand-rubbed applications of specially formulated oil. Havana brown is a deep, rich burgundy color produced through careful application of penetrating, aniline dyes that show the natural beauty of the leather. A final, transparent, protective coating repels dirt and wards off moisture and perspiration. High-ride, open muzzle design fully covers the triggerguard and protects the sights. Retention strap helps prevent loss of weapon during vigorous activities. Low cut grip access ensures fast presentation. Body-side contour gives extra comfort on the hip. Reinforced thumb break and double-stitched construction.

F.L.E.T.C.H. Belt Holster Safety Instruction Guide

Introduction

Thank you for choosing the F.L.E.T.C.H. Belt Holster by Galco International. This guide provides essential safety instructions to ensure the safe use of your holster. Please read the following information carefully to understand how to use, maintain, and dispose of your holster safely.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Sig Sauer P226).
- Always treat your firearm as if it is loaded.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect your holster for signs of wear or damage.
- Avoid exposing the holster to extreme temperatures or moisture, which may affect its integrity.
- Familiarize yourself with local laws regarding holster use and firearm carrying.

Specific Safety Precautions for Use

- Always secure your firearm in the holster when not in use.
- Use the retention strap to help prevent accidental discharges or loss of the weapon during vigorous activities.
- Ensure the holster is properly positioned on your body to avoid discomfort or accidental activation of the firearm.
- When drawing your firearm from the holster, ensure that your finger is off the trigger until you are ready to shoot.
- Do not attempt to modify the holster in any way, as this may compromise its safety features.
- If you notice any unusual wear or damage, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Installing the Holster:

- Choose a belt that is compatible with the holster and fits securely.
- Slide the holster onto the belt, ensuring it is positioned comfortably on your hip.
- Adjust the holster's angle to your preference, ensuring it allows for a smooth draw.

2. Using the Holster:

- Open the retention strap before inserting your firearm.
- Carefully insert your firearm into the holster, ensuring it is fully seated and secure.
- Close the retention strap to ensure the firearm is held securely in place.
- To draw your firearm, release the retention strap and smoothly pull the firearm from the holster, keeping your finger off the trigger until you are ready to aim.

Disposal Instructions

- When disposing of the holster, ensure that it is done in a manner that prevents it from being used improperly.
- If the holster is damaged beyond repair, consider recycling materials where possible.
- Follow local regulations regarding the disposal of leather and synthetic materials.
