## Top Quality, Holster Systems For Concealed Carry; Handmade In The U.S.A.

World famous, expertly crafted holsters and accessories provide superior fit, function and concealability for law enforcement, security and personal protection. Cut from the top 2% of the finest, "Number One" grade, U.S. vegetable tanned steer hides, then hand-molded to the specific firearm for a perfect fit. Horsehide models are constructed in the same, painstaking manner. Galco's naturally luminous, tan color is achieved with four to six, hand-rubbed applications of specially formulated oil. Havana brown is a deep, rich burgundy color produced through careful application of penetrating, aniline dyes that show the natural beauty of the leather. A final, transparent, protective coating repels dirt and wards off moisture and perspiration. High-ride, open muzzle design fully covers the triggerguard and protects the sights. Retention strap helps prevent loss of weapon during vigorous activities. Low cut grip access ensures fast presentation. Body-side contour gives extra comfort on the hip. Reinforced thumb break and double-stitched construction.

# F.L.E.T.C.H. Belt Holster Safety Instructions

## Introduction

Thank you for choosing the F.L.E.T.C.H. Belt Holster by Galco International. This product is designed to provide superior fit, function, and concealability for law enforcement, security, and personal protection. Please read this safety instruction guide carefully to ensure safe usage and maintenance of your holster.

## General Safety Guidelines

To ensure the safe use of the F.L.E.T.C.H. Belt Holster, please follow these general safety guidelines:

- Always ensure that your firearm is unloaded before placing it in the holster.
- Store your holster in a secure location away from children and unauthorized users.
- Regularly inspect your holster for wear and tear, and replace it if any damage is found.
- Avoid exposing the holster to extreme temperatures or moisture, as this may affect its integrity.
- Be aware of your surroundings when drawing or reholstering your firearm to prevent accidents.
- Always use the retention strap when engaging in vigorous activities to prevent the loss of your weapon.

## Specific Safety Precautions for Use

When using the F.L.E.T.C.H. Belt Holster, please adhere to the following specific precautions:

- Ensure that the holster is properly fitted to your firearm model (Sig Sauer P239).
- Make sure the holster is securely attached to your belt and is not loose.
- Use the low cut grip access for fast presentation while ensuring that your finger remains outside the trigger guard until ready to fire.
- Be cautious when reholstering your firearm; do not force the firearm into the holster.
- If using the holster for extended periods, take regular breaks to avoid discomfort.

## Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your F.L.E.T.C.H. Belt Holster:

### 1. Installation:

- Slide the holster onto your belt, ensuring that the belt is threaded through the holster slots.
- Adjust the position of the holster to ensure comfort and accessibility.
- Check that the holster is securely positioned and does not move when you move.

### 2. Usage:

- Before inserting your firearm, confirm that it is unloaded.
- Insert the firearm into the holster, ensuring that it is seated properly.
- When drawing the firearm, use the retention strap to secure the weapon until ready to engage.
- After use, reholster the firearm carefully, ensuring that it is fully seated in the holster.

## Disposal Instructions

When it is time to dispose of your F.L.E.T.C.H. Belt Holster, please follow these guidelines:

- If the holster is damaged or no longer usable, dispose of it in accordance with local waste management regulations.
- Do not burn the holster, as it may release harmful substances.

- If possible, recycle materials where applicable.
