Cut from the top 2% of the finest, "Number One" grade, U.S. vegetable tanned steer hides, then hand-molded to the specific firearm for a perfect fit. Horsehide models are constructed in the same, painstaking manner. Galco's naturally luminous, tan color is achieved with four to six, hand-rubbed applications of specially formulated oil. Havana brown is a deep, rich burgundy color produced through careful application of penetrating, aniline dyes that show the natural beauty of the leather. A final, transparent, protective coating repels dirt and wards off moisture and perspiration. High-ride, open muzzle design fully covers the triggerguard and protects the sights. Retention strap helps prevent loss of weapon during vigorous activities. Low cut grip access ensures fast presentation. Body-side contour gives extra comfort on the hip. Reinforced thumb break and double-stitched construction.
