# Paddle Lite Holster Safety Instructions

## Introduction

Thank you for choosing the Paddle Lite Holster from Galco International. This guide provides important safety instructions and guidelines for the proper use and care of your holster. Please read this manual carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model, specifically the Glock 26.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the holster away from children and unauthorized users.
- Inspect the holster before each use for any signs of wear or damage.
- Do not modify the holster in any way, as this may compromise its safety and effectiveness.
- Use the holster only for its intended purpose, which is to securely carry your firearm.

## Specific Safety Precautions for Use

- Always use the thumb break retention strap to secure your firearm in the holster.
- When drawing your firearm from the holster, ensure that your finger is off the trigger until you are ready to shoot.
- Avoid using the holster in wet or extreme conditions unless it is specifically designed for such use.
- Do not overload the holster with additional items that may interfere with its function or safety.
- If you notice any unusual wear or damage, discontinue use immediately and contact customer support.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your belt is threaded through the holster's paddle.
- Adjust the paddle to fit securely against your body, ensuring comfort and stability.
- Tighten the belt to ensure that the holster remains in place during use.

### 2. Usage:

- To insert your firearm, ensure that it is unloaded.
- Place the firearm into the holster, ensuring that it is fully seated.
- Use the thumb break retention strap to secure the firearm in place.
- When drawing the firearm, grip the holster firmly with one hand while using your other hand to draw the firearm.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations. If the holster is damaged or no longer usable, it should be discarded responsibly.
- Do not burn the holster, as this may release harmful substances.

## Contact Information for Further Support

For any questions or concerns regarding the Paddle Lite Holster, please refer to the manufacturer's contact details provided with your product. Always ensure that you are seeking assistance from authorized representatives to maintain compliance with safety guidelines.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on the proper use of your Paddle Lite Holster.
