[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

The 2nd Generation Henry Big Boys have a receiver that is already drilled and tapped for this scope mount. This rail is a Weaver cut with 2 cross slots ready for mounting Weaver style rings. 2nd Generation Big Boy rifles are drilled and tapped on the receiver for this scope mount. If your Big Boy rifle lacks these receiver screw holes, it is most likely a Gen 1 and will need the Gen 1 scope mount. Gen 2 Big Boys start with the following serial numbers: H006 - BB0047222 H006M - BB0015530M H006C - BB0021188C

## **Safety Instruction Guide**

### **Introduction**

Thank you for choosing the BIG BOY GEN 2 WEAVER STYLE SCOPE BASE by Henry Repeating Arms. This guide provides important safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your scope base. Please read this guide thoroughly before installation and use.

### **General Safety Guidelines**

- Always ensure that the scope base is compatible with your specific model of Henry Big Boy rifle (2nd Generation).
- Check for any visible damage to the scope base before installation. Do not use if damaged.
- Keep the scope base and all related components out of reach of children.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Always store your rifle and accessories in a secure location when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check the EU's Safety Gate platform for any updates on recalls or safety notices related to this product.

### **Specific Safety Precautions for Use**

- Ensure that your rifle is unloaded before installing the scope base.
- Use appropriate tools as specified in the installation instructions to avoid damaging the scope base or rifle.
- Do not exceed the manufacturer's weight limit for accessories mounted on the scope base.
- Avoid using the scope base in extreme weather conditions that may affect its performance or safety.
- Always verify that the scope rings are securely mounted before using the rifle.
- If you experience any issues with the scope base during use, cease operation immediately and consult a professional.

### **Instructions for Installation and Usage**

#### **Installation Instructions**

##### **1. Preparation:**

- Ensure your rifle is unloaded and pointed in a safe direction.
- Gather necessary tools: a screwdriver compatible with the screws provided.

##### **2. Mounting the Scope Base:**

- Locate the drilled and tapped holes on the receiver of your 2nd Generation Henry Big Boy rifle.
- Align the scope base over the holes and ensure it fits properly.
- Insert the screws provided with the scope base into the holes.
- Use the screwdriver to tighten the screws securely, but do not overtighten to avoid stripping the holes.

##### **3. Attaching Scope Rings:**

- Follow the manufacturer's instructions for your specific scope rings.
- Ensure the rings are aligned correctly and securely fastened to the rail of the scope base.

#### 4. Final Check:

- Once installed, doublecheck that all screws and rings are tight and secure.
- Verify that the scope is properly aligned and adjusted for your shooting needs.

### Usage Instructions

- Always handle the rifle safely and responsibly, following standard firearm safety practices.
- Regularly inspect the scope base and attached accessories for wear or damage.
- If you need to remove or adjust the scope base, ensure the rifle is unloaded and pointed in a safe direction.

### Disposal Instructions

- Dispose of the scope base and any associated packaging materials in accordance with local regulations.
- Recycle materials where applicable, such as cardboard and plastic.
- Do not dispose of the product in household waste.
