# **Safety Instruction Guide for Brownells AR 308 Barrel 6.5 Creedmoor Heavy Profile**

## **Introduction**

Thank you for choosing the Brownells AR 308 Barrel 6.5 Creedmoor Heavy Profile. This product is designed for precision shooting and is made with highquality materials to ensure safety and performance. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## **General Safety Guidelines**

- Always treat the barrel as if it is loaded, even when it is not.
- Ensure that you are familiar with local laws and regulations regarding firearm use and ownership.
- Always wear appropriate safety equipment, such as eye and ear protection, when handling firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Inspect the barrel for any damage or defects before use. Do not use if damaged.
- Follow all manufacturer's instructions for installation and usage.
- Report any unsafe products or incidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Ensure that the barrel is compatible with your AR10 or LR308 platform before installation.
- Use only .750" gas blocks as specified for proper function.
- Check that the muzzle is properly threaded for suppression with 5/8x24 TPI.
- Always use appropriate ammunition that matches the barrel specifications (6.5 Creedmoor).
- Avoid using the barrel in wet or damp conditions to prevent corrosion.
- Do not attempt to modify the barrel or its components.
- Ensure that the barrel is securely mounted before firing.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your AR10 or LR308 platform.
- Clean the barrel extension and ensure there are no obstructions.
- Install the Brownells AR 308 Barrel by aligning it with the upper receiver and securing it according to the manufacturer's specifications.
- Attach the .750" gas block to the barrel, ensuring it is properly aligned and secured.
- Thread the muzzle device (if applicable) to the 5/8x24 TPI threads.
- Perform a final inspection to ensure all components are securely attached.

### **2. Usage:**

- Load the firearm with 6.5 Creedmoor ammunition.
- Ensure that you are in a safe shooting environment.
- Follow standard firearm handling procedures when aiming and firing.
- Monitor the barrel for any signs of overheating or damage during extended use.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding metal and firearm components.
- Do not discard the barrel in regular household waste.

- Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Brownells AR 308 Barrel 6.5 Creedmoor Heavy Profile, please refer to the manufacturer's website or contact them directly for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Brownells AR 308 Barrel. Thank you for your attention to safety, and happy shooting!
