[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

## Runs as Hard as You Do - Easy To Operate With EITHER Hand

The BCMGunfighter Gen 2 Ambidextrous Charging Handle preserves the enhanced performance of their original "tactical" AR-15 charging handle - with a multiple improvements that make it even easier to operate, more reliable, and yes, unique-looking. The updated Gunfighter continues to provide a more generous grasping surface than a mil-spec handle, coupled with a smaller profile, while it eliminates the risk of breaking the latch roll pin when you yank aggressively on the handle. BCM redesigned the Gen 2 handle's geometry to take the stress off the latch pin and redirect it into the much stronger T-handle itself. You get a straighter pull - with either hand - that keeps the energy closer to the centerline of the rifle, so you don't twist the handle and risk breaking it. Beveled edges on the handle provide an easy to grasp, snag free profile, while a raised top shield prevents gas from blowing back into the shooter's face when running the gun with a silencer. Available in Mod 3X3 and Mod 4X4 configurations (described below) Fits all mil-spec direct impingement AR-15 upper receivers Not compatible with adjustable gas keyed bolt / carrier groups Robust forged 7075 T6 aluminum construction Mil-A-8625F, Type III, Class 2 hardcoat anodized for enhanced surface strength Bravo Company offers the BCM Gunfighter Gen 2 ambidextrous charging handle in two configurations: Mod 3X3 with a large latch and Mod 4X4 with a medium sized latch.

## Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER AMBIDEXTROUS CHARGING HANDLE MOD 4X4 MEDIUM](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 100027146

# Safety Instruction Guide for the AR15 BCMGUNFIGHTER CHARGING HANDLE GEN 2

## Introduction

Thank you for choosing the BCMGunfighter Gen 2 Ambidextrous Charging Handle. This product is designed to enhance your shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the charging handle safely.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 upper receiver before use.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Do not place your finger on the trigger until you are ready to shoot.
- Store the charging handle and firearm in a secure location, away from children and unauthorized users.
- Regularly inspect the charging handle and the firearm for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm use and ownership.

## Specific Safety Precautions for Use

- Only use the BCMGunfighter Gen 2 Charging Handle with milspec direct impingement AR15 upper receivers.
- Do not use the charging handle with adjustable gas keyed bolt/carrier groups.
- Avoid aggressive yanking on the handle to prevent damage to the latch roll pin.
- Be cautious of the gas blowback when using a silencer; ensure the raised top shield is properly positioned.
- Do not modify the charging handle in any way; alterations can compromise safety and functionality.
- Always wear appropriate eye and ear protection when operating firearms.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and safe to handle.
2. Remove the existing charging handle from the upper receiver by pulling it out of the receiver.
3. Align the BCMGunfighter Gen 2 Charging Handle with the receiver and insert it into the charging handle slot.
4. Ensure the charging handle is securely in place and operates smoothly.

### Usage

- Grip the charging handle firmly with either hand.
- Pull the charging handle straight back to chamber a round or clear the chamber.
- Release the charging handle smoothly to allow it to return to its original position.
- Avoid twisting the handle during operation to prevent damage.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations for metal recycling.
- If the product is damaged or no longer functional, do not attempt to repair it; instead, recycle it responsibly.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the BCMGunfighter Gen 2 Charging Handle, please contact the manufacturer or refer to the product packaging for further assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your BCMGunfighter Gen 2 Ambidextrous Charging Handle. Always prioritize safety and responsible firearm handling.
