

# AR-15 BCMGUNFIGHTER CHARGING HANDLE GEN 2 BLACK AMBIDEXTROUS - BRAVO COMPANY BCMGUNFIGHTER AMBIDEXTROUS CHARGING HANDLE MOD 3X3 LARGE

[Rifle Parts](#) > [Bolt Parts](#) > [Charging Handle Parts](#) > [Charging Handles](#)

## Runs as Hard as You Do - Easy To Operate With EITHER Hand

The BCMGunfighter Gen 2 Ambidextrous Charging Handle preserves the enhanced performance of their original "tactical" AR-15 charging handle - with a multiple improvements that make it even easier to operate, more reliable, and yes, unique-looking. The updated Gunfighter continues to provide a more generous grasping surface than a mil-spec handle, coupled with a smaller profile, while it eliminates the risk of breaking the latch roll pin when you yank aggressively on the handle. BCM redesigned the Gen 2 handle's geometry to take the stress off the latch pin and redirect it into the much stronger T-handle itself. You get a straighter pull - with either hand - that keeps the energy closer to the centerline of the rifle, so you don't twist the handle and risk breaking it. Beveled edges on the handle provide an easy to grasp, snag free profile, while a raised top shield prevents gas from blowing back into the shooter's face when running the gun with a silencer. Available in Mod 3X3 and Mod 4X4 configurations (described below) Fits all mil-spec direct impingement AR-15 upper receivers Not compatible with adjustable gas keyed bolt / carrier groups Robust forged 7075 T6 aluminum construction Mil-A-8625F, Type III, Class 2 hardcoat anodized for enhanced surface strength Bravo Company offers the BCM Gunfighter Gen 2 ambidextrous charging handle in two configurations: Mod 3X3 with a large latch and Mod 4X4 with a medium sized latch.

## Attributes

- Name: [BRAVO COMPANY BCMGUNFIGHTER AMBIDEXTROUS CHARGING HANDLE MOD 3X3 LARGE](#)
- Manufacturer: [BRAVO COMPANY](#)
- Product no.: 100027147
- Mfr. No.: BCM-GFH-MOD3X3-
- Delivery weight: 0.077kg
- Shipping height: 25mm
- Shipping width: 133mm
- Shipping length: 235mm
- UPC: 812526021236

## Item details

Made in USA

US export classification: 0A501.x

# BCMGunfighter Gen 2 Ambidextrous Charging Handle Safety Instructions

## Introduction

Thank you for choosing the BCMGunfighter Gen 2 Ambidextrous Charging Handle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your charging handle. Please read this document carefully before installation and usage to understand the potential hazards and how to avoid them.

## General Safety Guidelines

- Ensure that the charging handle is compatible with your AR15 upper receiver before installation.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- If you notice any defects or issues, do not use the charging handle and contact a qualified gunsmith for assistance.
- Follow all local laws and regulations regarding firearms and accessories.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when operating the charging handle.
- Use both hands to operate the charging handle for better control and to reduce the risk of injury.
- Avoid aggressive pulling on the charging handle to prevent damage to the latch and pin.
- Do not attempt to modify the charging handle or any part of the firearm.
- If using a silencer, ensure that the raised top shield is correctly positioned to prevent gas blowback.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing charging handle from the upper receiver by pulling back on the bolt carrier group and sliding the handle out.
- Insert the BCMGunfighter Gen 2 Charging Handle into the upper receiver, ensuring it is aligned properly.
- Push the charging handle fully into place until it is secure.

### 2. Usage

- To charge the firearm, grip the charging handle firmly with either hand.
- Pull the charging handle back smoothly and release it to allow the bolt to return to its forward position.
- Ensure that you maintain a firm grip to avoid slippage during operation.
- After charging, visually inspect the chamber to ensure it is clear before proceeding with any further actions.

## Disposal Instructions

- When disposing of the charging handle, follow local regulations regarding the disposal of metal and firearm components.
- Do not throw the charging handle in regular household waste.
- Consider recycling the charging handle at a facility that accepts metal products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BCMGunfighter Gen 2 Ambidextrous Charging Handle, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your BCMGunfighter Gen 2 Ambidextrous Charging Handle. Always prioritize safety and proper handling practices. Thank you for your attention to these important safety measures.
