

HENRY SINGLESHOT 45-70 BL/WD 22"

[Firearms](#) > [Rifles](#) > [Single Shot](#)

Provides an Accurate, Safe Single Shot

Designed to provide hunters and shooters with a confidence-inducing, safety-oriented single-shot rifle with the quality and provenance from a known and trusted manufacturer, the Henry Repeating Arms Singleshot rifle is purpose-built for range or field use. The Henry Repeating Arms Singleshot rifle is equipped with a round barrel topped by the company's classic buckhorn and brass-bead sights. Additionally, the rifle is drilled and tapped at the factory for optics attachments. For added safety, the gun uses a rebounding hammer that requires a deliberate trigger pull to actuate, and the built-in interlock system doesn't allow the barrel to open or close while the hammer is cocked. Barrel length: 22 inches Chambered in .45-70 Blued metal with wood furniture Weight: 6.83 pounds Each Henry Repeating Arms Singleshot rifle is equipped with an attractive walnut stock paired with a rubber recoil pad for added shooting comfort.

HENRY SINGLESHOT 4570 BL/WD 22" Safety Instruction Guide

Introduction

Thank you for choosing the Henry Repeating Arms Singleshot rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your firearm. Please read this manual carefully before using the product.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Ensure that the safety is engaged until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store the firearm unloaded and in a secure location, out of reach of children and unauthorized users.
- Always use the correct ammunition for your rifle.
- Wear appropriate eye and ear protection while shooting.
- Regularly inspect the firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the Henry Singleshot rifle before using it.
- Do not attempt to modify or alter the firearm in any way.
- Always use the provided safety features, including the rebounding hammer and interlock system.
- Avoid using the rifle in adverse weather conditions that may affect your ability to shoot safely.
- If you experience any malfunctions, do not attempt to disassemble the firearm. Contact a qualified gunsmith for assistance.
- Be cautious of others around you while shooting, maintaining a safe distance from bystanders.

Instructions for Installation and Usage

1. **Unpacking the Rifle:** Carefully remove the rifle from its packaging and inspect it for any damage. Ensure that all components are present.
2. **Checking the Safety Features:** Familiarize yourself with the safety features, including the rebounding hammer and the interlock system.
3. **Loading the Rifle:**
 - Ensure the safety is engaged.
 - Open the action and load one round into the chamber.
 - Close the action securely.
4. **Aiming and Firing:**
 - Position yourself in a stable shooting stance.
 - Align the sights with your target.
 - Disengage the safety and pull the trigger with a deliberate motion.
5. **Clearing the Rifle:**
 - After firing, always open the action and check for any remaining rounds.
 - If the rifle does not fire as expected, wait a minimum of 30 seconds before opening the action to avoid potential hangfires.
6. **Cleaning and Maintenance:**
 - Clean the rifle regularly to ensure optimal performance.
 - Use a soft cloth and appropriate cleaning supplies to remove dirt and residue from the barrel and action.
 - Store the rifle in a dry and secure location.

Disposal Instructions

- When disposing of the rifle, ensure it is unloaded and rendered inoperable.
- Follow local laws and regulations for firearm disposal.
- Consider donating the firearm to a licensed dealer or organization if it is no longer needed.

Contact Information for Further Support

For any inquiries regarding safety or product support, please contact the manufacturer directly. Ensure you have your product details on hand for assistance.

Note: It is crucial to remain informed about any product recalls or safety updates. Regularly check the EU's Safety Gate platform for the latest information regarding your firearm. Always report any unsafe products or incidents to the appropriate authorities to ensure the safety of all users.
