

MAGAZINE 9MM FOR GLOCK® 19, 26 - KCI USA MAGAZINE FOR GLOCK 19, 26 9MM 15RD BLACK POLYMER

[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Extended Capacity So Your 9mm Glock Won't Suffer an Ammo Shortage

KCI's 9mm magazine lets you boost the firepower of your Glock® 19 / 26 pistol. You can send plenty of practice rounds downrange without having to reload. This mag is also the ideal tube for any 9mm AR-15 carbine that uses Glock® mags. To ensure reliable function, this magazine has the same polymer and steel construction as factory mags, including a heat-treat hardened chrome silicon spring, and a smooth polymer follower that keeps the round stack moving. Polymer body with reinforcing internal steel tube
Removable baseplate
Witness holes to keep you apprised of round count
Compatible with any accessories that fit Glock factory magazines
Built exactly good-as-factory specs, the KCI magazine will keep the rounds cycling smoothly and reliably through your Glock 19 or 26 - or your "AR-9" carbine, pistol, or SBR. And the price? Now, THAT will make you smile almost as much as the fun of shooting sessions with fewer reloads.

Safety Instruction Guide for MAGAZINE 9MM FOR GLOCK® 19, 26 KCI USA

Introduction

Thank you for choosing the KCI 9mm magazine for your Glock® 19 or 26. This guide provides essential safety information and instructions to ensure the safe use and handling of your magazine. Please read this guide carefully before use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for damage before each use. Do not use if damaged.
- Use only compatible firearms and ammunition. This magazine is designed for Glock® 19 and 26 pistols and 9mm ammunition.
- Follow all local laws and regulations regarding the use of firearms and magazines.
- Store the magazine in a secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the firearm is pointed in a safe direction at all times when handling the magazine.
- Do not attempt to disassemble or modify the magazine.
- Avoid exposing the magazine to extreme temperatures or harsh chemicals.
- Keep the magazine clean and free from debris to ensure proper functioning.
- Do not exceed the magazine's capacity of 15 rounds.

Instructions for Installation and Usage

1. Loading the Magazine:

- Ensure the firearm is pointed in a safe direction.
- Hold the magazine with the feed lips facing up.
- Insert the rounds into the magazine, pressing them down until they are fully seated.
- Use the magazine follower to assist with loading if necessary.

2. Inserting the Magazine into the Firearm:

- Ensure the firearm is on safe and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Firmly push the magazine into the well until it clicks into place.

3. Removing the Magazine:

- Ensure the firearm is on safe and pointed in a safe direction.
- Press the magazine release button on the firearm.
- Pull the magazine out of the magazine well.

4. Using the Magazine:

- Follow standard firearm safety protocols while using your firearm.
- Ensure that the magazine is properly seated in the firearm before firing.
- Do not attempt to fire the firearm if the magazine is not securely in place.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- Do not dispose of the magazine in regular household waste if it is damaged or no longer usable.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For safety inquiries or concerns regarding this product, please contact the manufacturer or your local distributor.

By following these guidelines, you can ensure the safe and effective use of your KCI 9mm magazine for Glock® 19 and 26. Always prioritize safety and responsible handling when using firearms and accessories.
