# Safety Instruction Guide for 1911 Commander Carry Slide

## Introduction

Thank you for choosing the 1911 Commander Carry Slide with Dovetail Sight Cuts from Fusion Firearms. This product is designed for use with 1911 style pistols and offers enhanced performance and precision. To ensure your safety and the safety of others, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the 1911 Commander Carry Slide.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Do not use the slide if it appears damaged or malfunctioning.
- Regularly inspect the slide for wear and tear, and replace it if necessary.
- Follow all local laws and regulations regarding the use and ownership of firearms.

## Specific Safety Precautions for Use

- Use only compatible barrels designed for 9mm or .38 Super when using this slide.
- Ensure that the firing pin and other components are correctly installed and functioning before use.
- Do not modify the slide or any of its components. Modifications can lead to unsafe conditions.
- Use appropriate eye and ear protection when firing your firearm.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- Do not load the firearm until you are ready to shoot.
- Always keep your fingers off the trigger until you are ready to fire.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure that your firearm is unloaded and that you are in a safe environment.
2. **Remove the Old Slide:**
  - Disassemble your firearm according to the manufacturer's instructions.
  - Carefully remove the existing slide from the frame.
3. **Install the New Slide:**
  - Align the new 1911 Commander Carry Slide with the frame.
  - Slide it into place, ensuring that it is properly seated.
4. **Reassemble the Firearm:**
  - Follow the manufacturer's instructions to reassemble your firearm.
  - Ensure that all components are securely fastened and functioning correctly.
5. **Function Check:**
  - Perform a function check to ensure that the slide operates smoothly.
  - Check that the firing pin and other components are functioning properly.

### Usage Instructions

- Load your firearm only when you are in a safe shooting position.
- Follow all standard operating procedures for handling and firing your firearm.
- After use, clean and maintain the slide according to the manufacturer's recommendations.

## Disposal Instructions

- Dispose of the slide and any related components in accordance with local regulations.
- Do not dispose of firearms or firearm components in regular waste.
- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Commander Carry Slide, please reach out to your local authorized dealer or the manufacturer. Always refer to the official website for the latest information and updates.

## Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your 1911 Commander Carry Slide. Always prioritize safety and be aware of your surroundings when handling firearms. Thank you for your attention to these important guidelines.
