[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

HORNADY ELD® MATCH 6.5MM (0.264") POLYMER TIPPED BOATTAIL RIFLE BULLETS ELD® Match (Extremely Low Drag Match) bullets are technologically advanced, enhanced accuracy target bullets featuring Heat Shield® tips with the PERFECT MEPLAT (tip point) combined with numerous design features that deliver the highest-in-class ballistic coefficients, superior accuracy and extreme consistency from bullet to bullet, lot to lot. Superior accuracy and industry leading ballistic design has been achieved with the ELD Match bullet. An optimum secant ogive and boattail design along with the Heat Shield tip produce a bullet with the highest possible ballistic coefficient in its class. **PRODUCT FEATURES** **THE PERFECT TIP** The Heat Shield® tip is immune to the effects of aerodynamic heating and retains its shape to provide a perfect meplat (tip) that is always the same shape. The patented DVRT™ (Drag Variability Reduction Technology) increases bullet drag uniformity for less dispersion and smaller groups at longer ranges. **BULLET SHAPED FOR ACCURACY** Along with the Heat Shield® tip, the streamlined secant ogive with optimum boattail design and highly concentric AMP® bullet jackets combine for remarkable accuracy and best-in-class BCs. **BEST-IN-CLASS BCS** ELD® Match bullet BCs are measured and verified by Doppler radar and corrected to standard atmospheric conditions. **SWAGED LEAD CORE FOR UNIFORMITY** ELD® Match bullets feature a precision swaged lead core, which provides consistent uniformity and contributes to the bullet's aerodynamics and accuracy, even at extended ranges.

## **Attributes**

- Name: [ELD MATCH 6.5MM CAL \(0.264"\) 140GR POLYMER TIP-BT 2,000/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 100028441
- Mfr. No.: 26331B
- Ballistic Coefficient (G1): 0.646
- Ballistic Coefficient (G7): 0.326
- Brand Style: -
- Bullet Style: ELD-Match
- Caliber: 264 Caliber,6.5mm
- Diameter (in): 0.264
- Grain: 140
- Sectional Density: 0.287
- Quantity: 2,000
- Delivery weight: 19.051kg
- Shipping height: 89mm
- Shipping width: 229mm
- Shipping length: 305mm
- UPC: 090255708585

# ELD MATCH 6.5MM RIFLE BULLETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing ELD® Match 6.5MM (.264") Rifle Bullets. These bullets are designed for enhanced accuracy and consistency in shooting applications. This safety instruction guide is intended to provide you with essential information to ensure safe handling, use, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of these bullets by following the guidelines provided in this manual. The ELD Match bullets are designed for shooting purposes only.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be notified through standardized recall notices. Please keep an eye on official channels for any updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when handling these bullets, especially around vulnerable groups, including children. Keep out of reach.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the manufacturer's contact information provided at the point of sale.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU's Safety Gate platform for any alerts related to this product.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 years and older. Verify your eligibility before use.
- **Handling:**
  - Always handle bullets with care and ensure that your hands are dry and clean.
  - Do not point the bullets at yourself or others.
- **Storage:**
  - Store bullets in a cool, dry place away from direct sunlight and moisture.
  - Ensure that the storage area is secure and inaccessible to children.
- **Transportation:**
  - When transporting bullets, use a secure and appropriate container.
  - Follow local regulations regarding the transportation of ammunition.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure that your firearm is compatible with 6.5MM (.264") bullets before installation.
  - Follow the manufacturer's instructions for loading and using the specific firearm.
- **Usage:**
  - Always wear appropriate eye and ear protection while shooting.
  - Ensure that the shooting area is safe and free from obstructions or bystanders.
  - Follow all local laws and regulations regarding the use of firearms and ammunition.
  - If you experience any irregularities while shooting, cease use immediately and consult a qualified gunsmith.

## Disposal Instructions

- **Disposal of Unused Bullets:**
  - Do not dispose of bullets in regular household waste.
  - Contact local authorities or waste disposal services for guidance on the proper disposal of ammunition.
- **Expired or Damaged Bullets:**
  - If bullets are damaged or expired, follow the same disposal guidelines as for unused bullets.

## Contact Information for Further Support

For any questions or concerns regarding the ELD Match 6.5MM Rifle Bullets, please refer to the manufacturer's contact information provided at the point of sale or on the product packaging.

By following these safety instructions, you can ensure a safer experience while using ELD® Match 6.5MM Rifle Bullets. Always prioritize safety and compliance with applicable laws and regulations. Thank you for your attention to these important guidelines.
