

# 7MM STW UNPRIMED BRASS CASE - 7MM STW BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

At Hornady brass is the foundation for what could be the most memorable shot of your lifetime. Extra time and care is taken in the creation of their cases, producing smaller lots that meet strict quality standards. Hornady 7mm STW cases offer reloaders excellent uniformity in wall thickness, weight and internal capacity. They measure for consistently tight wall concentricity and even run their cases through a pressure calibration test to ensure uniform case expansion during firing. Their cases allow proper seating of the bullet, not only in the case, but in the chamber as well. High quality brass contributes to consistent charges and pressures.

## Attributes

- Name: [7MM STW BRASS 50/BOX](#)
- Manufacturer: [HORNADY](#)
- Product no.: 100028465
- Mfr. No.: 8643
- Caliber: 7mm STW
- Náboje: 7 mm STW
- Quantity: 50
- Delivery weight: 0.771kg
- Shipping height: 203mm
- Shipping width: 76mm
- Shipping length: 114mm
- UPC: 090255486438

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for Hornady 7MM STW Unprimed Brass Case

## Introduction

Thank you for choosing the Hornady 7MM STW Unprimed Brass Case. This guide provides essential safety instructions to ensure the safe handling and use of this product. It is important to read and understand these guidelines to minimize risks associated with its use.

## General Safety Guidelines

- Ensure that you are familiar with the safety regulations applicable to the use of ammunition components in your country.
- Always wear appropriate safety gear, including eye protection, when handling brass cases and reloading ammunition.
- Store brass cases in a cool, dry place away from direct sunlight and moisture to prevent damage.
- Keep brass cases out of reach of children and unauthorized individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Always inspect brass cases for defects before use. Do not use cases that show signs of damage or wear.
- Avoid overloading your ammunition to prevent excessive pressure during firing.
- Follow the manufacturer's instructions for reloading and ensure proper seating of the bullet in the case.
- Ensure that the chamber is clean and free of obstructions before loading the brass case.
- Use only compatible components when reloading to ensure safe operation.
- Do not attempt to modify or alter the brass cases in any way.

## Instructions for Installation and Usage

1. **Inspection:** Before use, inspect each brass case for any visible defects such as cracks, dents, or corrosion.
2. **Reloading:**
  - Use a reliable reloading manual to determine the appropriate powder charge and bullet type for the 7MM STW case.
  - Ensure that you are using the correct equipment for resizing and priming the brass cases.
  - Follow the recommended procedures for cleaning and preparing the brass cases before reloading.
3. **Seating the Bullet:**
  - Carefully seat the bullet to the recommended depth as specified in your reloading manual.
  - Verify that the bullet is seated properly to avoid any issues during firing.
4. **Firing:**
  - Load the completed cartridge into a compatible firearm.
  - Always follow the firearm's operating manual and safety instructions when firing.
5. **PostFiring:**
  - After firing, inspect the brass cases for signs of damage or excessive wear.
  - Clean the brass cases promptly to prevent corrosion and maintain their integrity for future use.

## Disposal Instructions

- Dispose of any damaged or unusable brass cases according to local regulations for hazardous waste.
- Do not dispose of brass cases in regular trash; instead, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding safety, please reach out to the appropriate contact point in your country. Ensure that you have the product details available for a more efficient response.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Hornady 7MM STW Unprimed Brass Case. Thank you for prioritizing safety in your reloading practices.
