

REMINGTON 700 SHORT ACTION STOCKS FIXED - MAGPUL PRO 700 FIXED STOCK FOR REMINGTON 700 SA FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

Completely Customizable Remington 700 Chassis

Magpul's Pro 700 Rifle Chassis combines innovative engineering and precision machining to create a full featured precision rifle chassis for Remington 700 actions. Based on a full billet aluminum skeleton, the Magpul Pro 700 Rifle Chassis is clad in Magpul polymer for comfort, and noise mitigation. With the swap of a bolt-cutout plate, a reversible cheek riser, and reversible hinge the chassis is fully ambidextrous, ensuring that left handed shooters are included in the fun. Chassis features an injection molded polymer grip with 5 degree forward edge sweep and enlarged palm swell with 7 degree aft edge sweep for enhanced user comfort combined with a .75" fore/aft adjustment range using a common hex wrench. Additional grip option included that features a more aggressive sweep and enlarged palm swell. Durable cast steel rotation limited QD sling swivel mounts with Melonite® finish fits up to 1.5" push button swivels. M-LOK slots available for accessory mounting. Integrated AICS pattern magazine well of reinforced polymer construction optimized for PMAG® 5 & PMAG® 10 7.62 AC™ magazines as well as most other AICS pattern short action magazines. The Magpul Pro 700 Rifle Chassis is machined from 6061-T6 billet aluminum, with Type III hard anodizing. The Chassis is completely adjustable to fit your needs: Overall LOP adjustment range is 13.25"-15.125"; butt pad height adjustment from 1.33" down to .90", also adjust 5 degree left or right; comb height range adjusts 1" with a secondary locking knob; cheek riser features a 3-position fore/aft adjustment of +.375", 0" and -.375" which can also be changed for left or right side usage using only a common hex wrench. The Remington 700 Pro Chassis would be a great upgrade to an existing gun, or for your next build!

Safety Instruction Guide for REMINGTON 700 SHORT ACTION STOCKS FIXED MAGPUL PRO 700 FIXED STOCK

Introduction

Thank you for choosing the REMINGTON 700 SHORT ACTION STOCKS FIXED MAGPUL PRO 700 FIXED STOCK. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or problems during use, cease operation immediately and contact a qualified professional.
- Be aware of your surroundings while using the product to avoid injuries to yourself and others.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attaching or detaching the stock.
- Wear appropriate eye and ear protection while using the firearm.
- Ensure that the stock is securely attached to the firearm before use.
- Do not modify the stock in any way that is not approved by the manufacturer.
- Use only compatible accessories that are designed for the Magpul Pro 700 Rifle Chassis to avoid malfunction.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing stock from the Remington 700 action by unscrewing the action screws.
- Align the Magpul Pro 700 Fixed Stock with the action and secure it using the provided screws.
- Ensure that the stock is tightly secured and does not move.

2. Adjustments:

- Adjust the Length of Pull (LOP) by using the adjustment mechanism to set it between 13.25" and 15.125".
- Adjust the butt pad height from 1.33" down to 0.90" and set the angle to 5 degrees left or right as needed.
- Modify the comb height using the secondary locking knob to achieve a comfortable cheek weld.
- The cheek riser can be adjusted for fore/aft positioning (+0.375", 0", and 0.375") as per personal preference.

3. Usage:

- Always follow the basic firearm safety rules while handling and shooting.
- Ensure that you are in a safe shooting environment and that all safety precautions are observed.

- After use, clean and maintain the stock according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding waste disposal.
- Do not dispose of the product in regular household waste if it contains any components that require special handling.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the REMINGTON 700 SHORT ACTION STOCKS FIXED MAGPUL PRO 700 FIXED STOCK, please refer to the manufacturer's website or customer service contact information provided with your product.

By following these guidelines, you can help ensure a safe and enjoyable experience with your REMINGTON 700 SHORT ACTION STOCKS FIXED MAGPUL PRO 700 FIXED STOCK. Thank you for your attention to safety.
