# Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 3030 ACKLEY IMPROVED FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides important safety instructions to ensure the safe and effective use of your die set. Please read and understand this guide before using the product.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the reloading process and the specific requirements for the 3030 Ackley cartridge.
- Store the die set in a secure location, out of reach of children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when reloading.
- Do not exceed recommended load specifications.
- Use only the specified components for the 3030 Ackley cartridge.
- Keep your workspace clean and organized to prevent accidents.
- Avoid distractions while reloading to maintain focus and safety.
- If you are unsure about any aspect of the reloading process, consult a knowledgeable source or professional.

## Instructions for Installation and Usage

### 1. Installation of the Die Set

- Carefully unpack the die set and inspect for any damage.
- Follow the manufacturer's instructions for installing the sizing die and bullet seating die into your reloading press.
- Ensure the dies are tightened securely to prevent movement during operation.

### 2. Using the Sizing Die

- Adjust the sizing die according to the manufacturer's specifications.
- Insert the cartridge case into the die and operate the press to resize the case.
- Check the dimensions of the resized case with calipers to ensure compliance with specifications.

### 3. Using the Bullet Seating Die

- Set the bullet seating die to the desired seating depth based on your reloading data.
- Place the bullet on the case mouth and operate the press to seat the bullet.
- Verify the overall cartridge length with calipers to ensure it meets specifications.

### 4. Final Checks

- Inspect each completed cartridge for defects or irregularities.
- Store completed cartridges in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Recycle materials whenever possible.
- Do not dispose of any reloaded ammunition or components in regular trash; follow local laws for hazardous waste disposal.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Hornady Custom Grade 2Die set, please consult the manufacturer's website or customer service for assistance.

Thank you for prioritizing safety while using the Hornady Custom Grade 2Die set. Enjoy your reloading experience responsibly!
