# **Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 358 WINCHESTER FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the Hornady Custom Grade 2Die set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that the die set is used only for its intended purpose, which is reloading 358 Winchester cartridges.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Store the die set in a dry, cool place to prevent corrosion and damage.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Read all instructions and warnings provided with the die set before use.
- Do not exceed the recommended load specifications for the 358 Winchester cartridge.
- Ensure that the workspace is clean and free of distractions while reloading.
- Always doublecheck that the correct die is being used for sizing and seating.
- Avoid using any damaged or worn components in the reloading process.
- Use only approved reloading components that meet safety standards.
- Never leave reloading equipment unattended during use.

## **Instructions for Installation and Usage**

### **1. Setup:**

- Securely mount the die set in a stable reloading press according to the manufacturer's instructions.
- Ensure that the full length sizing die and bullet seating die are properly aligned and tightened.

### **2. Reloading Process:**

- Start with the full length sizing die:
  - Insert the cartridge case into the die.
  - Adjust the die according to the specifications for the 358 Winchester.
  - Operate the press to resize the case.
- Next, use the bullet seating die:
  - Place the resized case in the seating die.
  - Insert the bullet into the case mouth.
  - Adjust the seating depth according to your reloading recipe.
  - Operate the press to seat the bullet securely.

### 3. Final Checks:

- Inspect each completed cartridge for proper seating and overall integrity.
- Store completed cartridges in a safe and organized manner.

## Disposal Instructions

- Dispose of any unused or damaged reloading components in accordance with local regulations.
- Do not throw away the die set in regular trash; check for recycling programs or hazardous waste disposal options in your area.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Hornady Custom Grade 2Die set, please refer to the product packaging or visit the manufacturer's website for the appropriate contact details.

Thank you for your attention to these safety instructions. Your compliance will help ensure a safe and enjoyable reloading experience.
