Safety Instruction Guide for CUSTOM GRADE RIFLE FULL LENGTH DIE SETS 5.6x52mm Rimmed Full Length Die Set

Introduction

Thank you for purchasing the Hornady Custom Grade Rifle Full Length Die Set for 5.6x52mm Rimmed cartridges. This guide provides essential safety information to ensure the safe and effective use of your die set. Please read all instructions carefully before use.

General Safety Guidelines

- Always handle reloading equipment with care to prevent accidents.
- Ensure that the die set is used in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage before use. Do not use if damaged.
- Store the die set in a dry, secure location to prevent rust and wear.
- Report any unsafe products or accidents to the authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, while reloading.
- Ensure that your workspace is clean, welllit, and free from distractions.
- Follow all reloading guidelines specific to the 5.6x52mm Rimmed cartridge.
- Only use components that are compatible with your die set.
- Avoid overtightening the dies, as this can lead to equipment failure.
- Do not attempt to modify the die set in any way.
- Be cautious of the potential hazards associated with ammunition reloading, including the risk of fire and explosion.

Instructions for Installation and Usage

1. Setup:

- Place the die set on a stable work surface.
- Secure the full length sizing die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired depth for resizing.

2. Reloading Process:

- Begin by preparing your cartridge cases for resizing.
- Insert a cartridge case into the die and operate the press to resize the case.
- Remove the resized case and inspect it for any defects.
- For bullet seating, install the bullet seating die into the press.
- Adjust the seating depth according to your load specifications.
- Insert a bullet into the case and operate the press to seat the bullet.

3. Final Inspection:

- After reloading, inspect each cartridge for proper dimensions and overall quality.

- Store completed ammunition in a safe and organized manner.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact local waste management authorities for guidance on hazardous waste disposal.

Contact Information for Further Support

For any questions or concerns regarding the use of your Hornady Custom Grade Rifle Full Length Die Set, please refer to the manufacturer's website or contact their support team for assistance.

Thank you for choosing Hornady. Your safety and satisfaction are our top priorities. Enjoy your reloading experience responsibly!
