AMAX/ELDM Custom Bullet Seating Stems Safety Instruction Guide

Introduction

Thank you for choosing the AMAX/ELDM Custom Bullet Seating Stems. This guide provides essential safety information to ensure the safe use and handling of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) when handling ammunition components.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the AMAX/ELDM Custom Bullet Seating Stems with Hornady® Custom Grade™ Dies.
- Do not attempt to use the seating stems with dies from other manufacturers.
- Handle bullets carefully to avoid damaging them during the seating process.
- Ensure that the work area is clean and free from distractions while reloading ammunition.
- Avoid using excessive force when seating bullets to prevent accidental injury or damage to the components.
- Store the seating stems in a dry, cool place when not in use to prevent corrosion or degradation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials, including Hornady® Custom Grade™ Dies and the AMAX/ELDM Custom Bullet Seating Stems.
- Ensure the work area is welllit and organized.

2. Installation:

- Carefully remove the seating stem from its packaging.
- Insert the seating stem into the Hornady® Custom Grade™ Die, ensuring it is securely fitted.
- Tighten the die in your reloading press according to the manufacturer's instructions.

3. Usage:

- Place a cartridge case in the reloading press.
- Insert a bullet into the case mouth, ensuring it is properly aligned.
- Operate the reloading press to seat the bullet gently into the case.
- Monitor the process to ensure the bullet is seated correctly without damage.
- Repeat the process for additional cartridges, maintaining attention to detail.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away the product in regular household waste. Instead, follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For questions or concerns regarding the AMAX/ELDM Custom Bullet Seating Stems, please refer to the manufacturer's website or contact your local supplier.

Thank you for your attention to these safety instructions. Your careful handling of this product contributes to a safer reloading experience.
