Safety Instruction Guide for AMAX/ELDM Custom Bullet Seating Stems 30 Caliber 208gr

Introduction

Thank you for choosing Hornady's AMAX/ELDM Custom Bullet Seating Stems. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand these guidelines before using the product.

General Safety Guidelines

- Ensure that all products are used in accordance with the manufacturer's instructions.
- Always inspect the product for any damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only with Hornady® Custom Grade™ Dies; not compatible with other manufacturers' dies.
- Avoid using excessive force when seating bullets to prevent damage.
- Always wear safety glasses when working with ammunition components.
- Handle all components with care to avoid injury or accidents.
- Ensure a clean and organized workspace to minimize hazards.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components before starting.
- Ensure that your workspace is clean and free from distractions.

2. Installation

- Remove the existing seating stem from your Hornady® Custom Grade™ Die.
- Carefully install the AMAX/ELDM Custom Bullet Seating Stem by following these steps:
 - Align the seating stem with the die.
 - Gently screw the seating stem into place until it is secure.

3. Usage

- Set the die to the desired seating depth according to your reloading specifications.
- Insert the bullet into the case mouth and position it against the seating stem.
- Slowly and steadily operate the press to seat the bullet. Avoid using excessive force.
- Check the overall length of the seated bullet for accuracy.

4. PostUsage

- Clean the seating stem and die after use to maintain optimal performance.
- Store the product in a safe place, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of ammunition components in regular household waste.
- Consult your local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact resources. Always ensure that you have the latest information regarding product safety and usage.

By following these guidelines, you can ensure a safe and effective experience with Hornady's AMAX/ELDM Custom Bullet Seating Stems. Thank you for your attention to safety.
