# **AMAX/ELDM CUSTOM BULLET SEATING STEMS 30 CALIBER 155/168/178GR AMAX/ELDM SEATING STEM**

## **Introduction**

Thank you for choosing Hornady's Custom Bullet Seating Stems designed for 30 caliber AMAX and ELDM bullets. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

## **General Safety Guidelines**

- Product Safety:
  - Ensure safe use of the seating stems with Hornady® Custom Grade™ Dies.
  - Avoid using the seating stems with dies from other manufacturers.
- Enhanced Recalls:
  - Stay informed about any recalls related to this product through official channels.
- Online Shopping:
  - When purchasing online, ensure that the seller complies with safety requirements.
- Special Consumer Focus:
  - Keep this product out of reach of children and vulnerable individuals.
- EU Contact Point:
  - For safety inquiries, refer to the designated EU contact point as provided by the seller.
- Rapid Alerts:
  - Regularly check the EU's Safety Gate platform for updates on product safety.

## **Specific Safety Precautions for Use**

- Always inspect the seating stem for any damage before use.
- Use the seating stem only with compatible Hornady® Custom Grade™ Dies.
- Do not attempt to modify the seating stem in any way.
- Wear appropriate safety gear, such as safety glasses, when using the seating stem.
- Ensure your workspace is clean and organized to prevent accidents.
- Keep hands and other body parts clear of moving parts during operation.
- If you experience any difficulty during use, stop immediately and consult the manual or contact support.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure that your Hornady® Custom Grade™ Die is securely mounted in your reloading press.

- Carefully insert the AMAX/ELDM Custom Bullet Seating Stem into the die, ensuring it is properly aligned.
- Tighten the seating stem securely using the appropriate tools, following the manufacturer's guidelines.

## **2. Usage:**

- Prepare your bullets and cases according to standard reloading practices.
- Place a bullet into the case mouth, ensuring it is seated squarely.
- Operate the reloading press to seat the bullet. Monitor the process to ensure proper seating depth.
- After seating, inspect the bullet to confirm it has been seated correctly without damage.
- If you notice any issues, stop and troubleshoot before proceeding.

## **Disposal Instructions**

- Dispose of any damaged or worn seating stems according to local regulations.
- Do not dispose of the product in general waste if it is deemed unsafe or hazardous.
- Consider recycling options where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Hornady's Custom Bullet Seating Stems, please refer to the contact information provided by the seller or manufacturer. Ensure you have the product details on hand for efficient support.

By following these safety instructions, you can help ensure a safe and effective reloading experience with Hornady's Custom Bullet Seating Stems. Thank you for your attention to these guidelines.
