AMAX/ELDM CUSTOM BULLET SEATING STEMS

6MM 108GR AMAX/ELDM SEATING STEM Safety Instruction Guide

Introduction

Thank you for choosing the AMAX/ELDM Custom Bullet Seating Stems. These components are designed to enhance your reloading experience while ensuring the safe handling of ammunition components. Please read this guide carefully to understand how to use this product safely and effectively.

General Safety Guidelines

- Always handle ammunition components with care.
- Ensure that you are using the correct seating stem for your specific bullet type.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified by the manufacturer.
- Regularly check for any signs of wear or damage to the seating stem before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure you are in a wellventilated area when reloading ammunition.
- Always wear appropriate safety gear, including safety glasses and gloves.
- Avoid using the seating stem with bullets from other manufacturers, as compatibility is not guaranteed.
- Keep your work area clean and organized to prevent accidents.
- Do not exceed the recommended load specifications for your bullets.
- Be aware of your surroundings and ensure that no unauthorized persons are present during the reloading process.

Instructions for Installation and Usage

1. Installation:

- Ensure that your Hornady® Custom Grade™ Die is clean and free of debris.
- Remove the existing seating stem from the die by unscrewing it in a counterclockwise direction.
- Carefully insert the AMAX/ELDM Custom Bullet Seating Stem into the die.
- Secure the seating stem by screwing it in a clockwise direction until it is snug.

2. Usage:

- Adjust the seating depth according to your specifications by turning the seating stem.
- Place the bullet into the case mouth and ensure it is properly aligned.
- Slowly raise the ram of the reloading press to seat the bullet.
- Check the seating depth with a caliper to ensure precision.
- Repeat the process for additional rounds, making adjustments as necessary.

Disposal Instructions

- Dispose of any damaged or worn seating stems in accordance with local regulations.
- Do not throw the product in regular household waste. Instead, consider recycling options where available.
- Ensure that any hazardous materials are disposed of safely and responsibly.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please consult the manufacturer's official website or customer support resources. Always ensure that you have the latest information regarding product recalls or safety alerts.

Thank you for your attention to safety. Enjoy your reloading experience with the AMAX/ELDM Custom Bullet Seating Stems!
