# Safety Instruction Guide for LOCKNLOAD MODIFIED CASES 300 AAC BLACKOUT MODIFIED CASE

## Introduction

Thank you for choosing the LOCKNLOAD MODIFIED CASES 300 AAC BLACKOUT MODIFIED CASE. This product is designed to enhance your reloading experience with the Hornady LockNLoad Gauge. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always handle reloading tools and components with care.
- Ensure that you are using the correct modified case for your specific application.
- Keep the product out of reach of children and vulnerable individuals.
- Familiarize yourself with the instructions provided with the product before use.
- Inspect the modified cases for any signs of damage or wear before each use.
- Use the product in a wellventilated area to avoid inhalation of any dust or particles.
- Adhere to all local laws and regulations regarding reloading ammunition.

## Specific Safety Precautions for Use

- Modified cases are not compatible with tight neck chambers; ensure compatibility before use.
- Do not attempt to use modified cases that are not listed in the Hornady catalog.
- Ensure that all components used in conjunction with the modified cases are in good condition and properly maintained.
- Avoid exceeding the recommended load specifications for your ammunition.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading components.

## Instructions for Installation and Usage

### 1. Preparation:

- Read all instructions thoroughly before beginning.
- Gather all necessary components and tools.

### 2. Using the Modified Cases:

- Insert the modified case into the LockNLoad Gauge.
- Follow the gauge instructions to measure bullet seating depth accurately.
- Ensure the modified case is seated correctly in the gauge before taking measurements.

### 3. Custom Cartridges:

- If you require custom cartridges, contact Hornady for details on how to proceed.
- Ensure that any custom cartridges meet your specific needs and are safe for use with your firearm.

### 4. PostUse Care:

- Clean the modified cases after use to remove any debris or residue.
- Store the modified cases in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- Dispose of any damaged or worn modified cases in accordance with local waste disposal regulations.
- Do not throw away modified cases in regular household waste if they are still usable; consider donating them or recycling where appropriate.

## **Contact Information for Further Support**

For any questions or concerns regarding the LOCKNLOAD MODIFIED CASES 300 AAC BLACKOUT MODIFIED CASE, please refer to the contact information provided in the product packaging or on the manufacturer's website. It is important to have access to support for any safety inquiries.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with the LOCKNLOAD MODIFIED CASES 300 AAC BLACKOUT MODIFIED CASE. Always prioritize safety and stay informed about the proper use of your reloading tools. Thank you for your attention to these important guidelines.
