# **MATCH GRADE RIFLE DIE SETS 6.5MM CREEDMOOR BUSHING FULL LENGTH DIE SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the MATCH GRADE RIFLE DIE SETS 6.5MM CREEDMOOR BUSHING FULL LENGTH DIE SET by Hornady. This product is designed for precision reloading, ensuring optimal performance and accuracy. It is essential to follow the safety guidelines outlined in this document to ensure safe handling and usage of the die set.

## **General Safety Guidelines**

- Always read and understand the instructions before using the die set.
- Ensure that the workspace is clean, organized, and free from distractions.
- Wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Store the die set in a safe location, out of reach of children and pets.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged components.
- Dispose of any used materials (e.g., brass casings) according to local regulations.

## **Specific Safety Precautions for Use**

- Handle all components of the die set with care to avoid injury.
- Always ensure that the press is securely mounted and stable before use.
- Do not exceed the recommended load specifications for your cartridges.
- Avoid using the die set in a poorly ventilated area. Ensure proper ventilation when working with primers and powders.
- Do not leave the press unattended while in operation.
- Keep all reloading materials, including primers and powders, stored safely and securely.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary components, including the die set, press, brass casings, and reloading materials.
- Read the instructions provided with the die set carefully.

### **2. Installation:**

- Securely mount the press to a stable workbench.
- Install the Full Length Bushing Die into the press according to the manufacturer's instructions.
- Ensure that the die is adjusted correctly for the desired neck size using the interchangeable bushings.

### **3. Reloading Process:**

- Begin by resizing the brass casings using the Full Length Bushing Die.
- Follow the recommended steps for charging the cases with powder and seating the bullets using the Seater Die.
- Regularly check for consistency in the reloading process to maintain accuracy.

#### **4. PostUse:**

- After completing the reloading process, clean the die set and workspace.
- Store the die set and all components in the provided storage box.

## **Disposal Instructions**

- Dispose of any used brass casings, primers, and powder in accordance with local regulations.
- Do not dispose of hazardous materials in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the MATCH GRADE RIFLE DIE SETS 6.5MM CREEDMOOR BUSHING FULL LENGTH DIE SET, please refer to the contact information provided on the packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Hornady die set. Always prioritize safety and compliance with local regulations.
