# PRESS TYPE SHELLHOLDER #51 Safety Instructions

## Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDER #51. This product is designed for precision and ease of use in reloading ammunition. To ensure your safety and the safe operation of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that you read and understand all instructions prior to use.
- Always handle the shellholder with care to prevent injury.
- Store the shellholder in a safe place, out of reach of children and pets.
- Inspect the shellholder regularly for any signs of wear or damage before use.
- Use the shellholder only for the specified calibers listed in the product description.
- Do not modify the shellholder in any way, as this may compromise its safety and effectiveness.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the shellholder.
- Ensure that the workspace is clean, organized, and free from hazards.
- Keep your hands and other body parts clear of moving parts during operation.
- Do not exceed the recommended specifications for the shellholder.
- If you experience any difficulties while using the shellholder, stop immediately and consult the product manual or seek assistance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the press is securely mounted and stable before installing the shellholder.
- Insert the shellholder into the press according to the manufacturer's instructions.
- Verify that the shellholder is seated properly and securely before use.

### 2. Usage:

- Select the appropriate caliber shellholder for your cartridge.
- Insert the casing into the shellholder, ensuring it is seated correctly.
- Follow the reloading process as per your reloading press instructions.
- After use, remove the shellholder and clean it to maintain optimal performance.

## Disposal Instructions

- Dispose of the shellholder in accordance with local regulations.
- If the shellholder is damaged or no longer usable, consider recycling the materials where possible.

## Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer's contact details provided in the product packaging.
