# PRESS TYPE SHELLHOLDER #53 Safety Instructions

## Introduction

Thank you for choosing the PRESS TYPE SHELLHOLDER #53. This product is precision machined from solid steel and heat treated to ensure flawless performance. It is designed for safe and effective use in reloading ammunition. This safety instruction guide provides essential information to help you use the product responsibly and in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure you read and understand all safety instructions before using the PRESS TYPE SHELLHOLDER #53.
- Always handle the shellholder with care to avoid injury.
- Keep the shellholder out of reach of children and vulnerable individuals.
- Regularly inspect the shellholder for any signs of wear or damage before use.
- Do not use the shellholder for any purpose other than its intended use.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling ammunition and reloading equipment.
- Ensure that the reloading area is well ventilated and free from any flammable materials.
- Always follow the manufacturer's guidelines for the specific calibers that the shellholder can accommodate.
- Do not exceed the recommended specifications for the shellholder, including the types of cartridges listed.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion or injury.
- Store the shellholder in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the PRESS TYPE SHELLHOLDER #53.
- Insert the shellholder into the reloading press according to the manufacturer's instructions.
- Ensure that the shellholder is securely in place before proceeding with reloading.

### 2. Usage:

- Select the appropriate cartridge that matches the specifications for the shellholder. The PRESS TYPE SHELLHOLDER #53 is compatible with the following cartridges:
  - 404 Jeffrey
- Align the case with the shellholder and gently insert it into the holder.
- Follow the reloading press instructions to complete the reloading process.
- After use, remove the shellholder from the press and clean it according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of the shellholder in regular household waste.
- Check with local waste management authorities for proper disposal methods for metal products.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the PRESS TYPE SHELLHOLDER #53, please refer to the EU contact point or the manufacturer's website for more information.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the PRESS TYPE SHELLHOLDER #53. Always prioritize safety and remain informed about any updates or recalls related to the product. Thank you for your attention to these important guidelines.
