Safety Instruction Guide for Hornady Shellholder Kit

Introduction

Thank you for choosing the Hornady Shellholder Kit. This product is designed to provide safe and efficient use for a variety of reloading applications. Please read this safety instruction guide carefully to ensure proper handling and usage of the shellholders included in the kit.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always inspect the shellholders for any signs of damage or wear before use.
- Keep the shellholders out of reach of children and pets to prevent accidents.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling ammunition components.
- Store the shellholders in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always verify that the shellholder is compatible with the specific caliber of ammunition you are using.
- Do not attempt to modify or alter the shellholders in any way.
- Avoid using the shellholders with damaged or defective ammunition.
- Ensure that the reloading press is securely mounted and stable before use.
- Follow all local regulations regarding ammunition reloading and storage.

Instructions for Installation and Usage

1. **Selecting the Shellholder** Choose the appropriate shellholder from the kit based on the caliber of ammunition you are reloading. Refer to the list below for compatibility: Shellholder #1: Fits calibers such as 44 Automag, 22250 Rem, 270 Win, and more. Shellholder #2: Fits calibers such as 219 Zipper, 3030 Win, and 3240 WCF. Shellholder #5: Fits calibers such as 257 Wby Mag, 270 Wby Mag, and 300 Wby Mag. Shellholder #16: Fits calibers such as 380 ACP, 223 Rem, and 6mm TCU. Shellholder #35: Fits calibers such as 223 WSSM, 270 WSM, and 300 WSM.
2. **Installation of Shellholder** a. Ensure the reloading press is turned off and unplugged. b. Insert the selected shellholder into the reloading press according to the manufacturer's instructions. c. Secure the shellholder in place to prevent it from loosening during use.
3. **Using the Shellholder** a. Place the cartridge case into the shellholder. b. Follow the reloading press instructions to complete the reloading process. c. Always monitor the reloading process to ensure safety and accuracy.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw shellholders in regular trash; check for recycling options or designated disposal sites.
- Ensure that all components are completely unloaded before disposal.

Contact Information for Further Support

For any questions or concerns regarding the Hornady Shellholder Kit, please refer to the manufacturer's website or customer support channels for assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady Shellholder Kit. Thank you for your attention to safety and responsible handling of reloading equipment.
