# Safety Instruction Guide for the 5 Hole LoadMaster Progressive Press Turret

## Introduction

Thank you for choosing the 5 Hole LoadMaster Progressive Press Turret by Lee Precision. This guide provides essential safety instructions to ensure the safe use of the product. Please read and follow these guidelines carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Always wear appropriate safety gear, including eye protection, when operating the turret.
- Keep the work area clean and welllit to reduce the risk of accidents.
- Store the turret in a safe place, out of reach of children and pets.
- Regularly inspect the turret for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Do not exceed the recommended load limits specified in the product documentation.
- Ensure that all components are securely fastened before operating the turret.
- Avoid distractions while operating the turret to maintain focus and control.
- Never leave the turret unattended while in operation.
- Be aware of the potential hazards associated with reloading, including the handling of gunpowder and primers.
- If you experience any malfunction or unusual behavior from the turret, stop using it immediately and consult the troubleshooting section of the manual.

## Instructions for Installation and Usage

### 1. Installation:

- Select a stable and level surface for mounting the turret.
- Securely attach the turret to the reloading press following the manufacturer's instructions.
- Ensure that all screws and fasteners are tightened properly before use.

### 2. Usage:

- Before beginning reloading, read all instructions and familiarize yourself with the turret's components.
- To change calibers, follow the specific instructions provided in the manual for removing and installing the turret.
- Operate the turret at a steady pace to maintain control and precision.
- After each use, clean the turret to prevent buildup of residues that may affect performance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the turret reaches the end of its life, dispose of it responsibly by following local electronic waste disposal guidelines.
- Do not dispose of the turret in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 5 Hole LoadMaster Progressive Press Turret, please refer to the manufacturer's contact information provided in the product documentation.

By adhering to these safety instructions, you can ensure a safe and effective reloading experience with your 5 Hole LoadMaster Progressive Press Turret. Thank you for prioritizing safety.
