Safety Instruction Guide for BREECH LOCK PRO SHELL PLATES LEE PRECISION #12

Introduction

Thank you for choosing the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the shell plates. Please read this guide carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the shell plates.
- Inspect the shell plates for any signs of damage before each use.
- Keep the shell plates out of reach of children and vulnerable individuals.
- Use the shell plates only with compatible cartridges as specified.
- Report any unsafe products or incidents to the relevant authorities.
- Regularly check for recalls or safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the shell plates are properly installed on the Breech Lock Pro Press before use.
- Do not exceed the recommended cartridge specifications: 6.5 Grendel 7.62 x 39 mm Russian
- Avoid using the shell plates for other types of cartridges not specified by the manufacturer.
- Wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Do not use damaged or worn shell plates, as they may pose safety risks.
- Store the shell plates in a dry and secure location to prevent damage.

Instructions for Installation and Usage

1. Installation of Shell Plates:

- Ensure that the Breech Lock Pro Press is turned off and unplugged.
- Locate the shell plate holder on the press.
- Align the shell plate with the holder and press down until it locks into place.
- Verify that the shell plate is securely attached before proceeding.

2. Using the Shell Plates:

- Select the appropriate cartridge for the shell plate being used.
- Place the cartridge in the shell plate, ensuring it is seated correctly.
- Follow the reloading process as per the Breech Lock Pro Press manual.
- Monitor the reloading process for any irregularities or issues.

3. PostUse Care:

- After use, clean the shell plates to remove any residue.
- Inspect the shell plates for any signs of wear or damage.
- Store the shell plates in a safe and dry environment.

Disposal Instructions

- Dispose of any damaged or worn shell plates in accordance with local regulations.
- Do not throw the shell plates in regular household waste.

- Check with your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BREECH LOCK PRO SHELL PLATES, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for prioritizing safety and compliance with these guidelines. Enjoy your reloading experience with the BREECH LOCK PRO SHELL PLATES from LEE PRECISION.
