# Safety Instructions for BREECH LOCK PRO SHELL PLATES LEE PRECISION #1 BREECH LOCK PRO SHELL PLATE

## Introduction

Thank you for choosing the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. This product is designed for use with the Breech Lock Pro Press, specifically for the 357 Magnum and 38 Special cartridges. To ensure safe and effective use of this product, please read and follow all safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of the Breech Lock Pro Press before using the shell plates.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading ammunition.
- Keep the work area clean and free from distractions to maintain focus during the reloading process.
- Store all reloading components, including shell plates, in a safe and secure location away from children and unauthorized users.
- Regularly inspect the shell plates for any signs of wear or damage. Do not use damaged components.
- Follow all local, state, and federal regulations regarding ammunition reloading and storage.

## Specific Safety Precautions for Use

- Only use the BREECH LOCK PRO SHELL PLATES with compatible cartridges (357 Magnum and 38 Special).
- Ensure that the shell plate is properly installed on the Breech Lock Pro Press before use.
- Do not attempt to modify or alter the shell plates in any way, as this may compromise safety and performance.
- Avoid overloading the shell plate with more than the recommended number of cartridges.
- Keep hands and other body parts away from moving parts during operation to prevent injury.
- Be aware of the potential hazards associated with reloading, including exposure to lead and other hazardous materials.

## Instructions for Installation and Usage

### 1. Installation of Shell Plates:

- Ensure the Breech Lock Pro Press is unplugged and not in operation.
- Remove any existing shell plate from the press by loosening the retaining screws.
- Align the BREECH LOCK PRO SHELL PLATE with the mounting area on the press.
- Secure the shell plate in place by tightening the retaining screws.

### 2. Usage of Shell Plates:

- Insert empty cases into the shell plate, ensuring they are seated properly.
- Follow the manufacturer's instructions for the Breech Lock Pro Press to complete the reloading process.
- After reloading, carefully remove the loaded cartridges from the shell plate.

### 3. PostUsage Care:

- Clean the shell plates after use to remove any residue or debris.
- Store the shell plates in a dry, cool place to prevent corrosion or damage.

## **Disposal Instructions**

- Dispose of any damaged or worn shell plates in accordance with local regulations regarding electronic waste and reloading components.
- Do not throw shell plates in regular household waste; check for recycling options in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the BREECH LOCK PRO SHELL PLATES, please refer to the manufacturer's official website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. Thank you for your attention to safety.
