Safety Instructions for BREECH LOCK PRO SHELL PLATES LEE PRECISION #2 BREECH LOCK PRO SHELL PLATE

Introduction

Thank you for choosing the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. These shell plates are designed for use with the Breech Lock Pro Press and are compatible with the 45 Auto (ACP) and 45 G.A.P cartridges. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product.

General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the shell plates are compatible with your specific press model.
- Store the shell plates in a cool, dry place away from direct sunlight.
- Keep the shell plates out of reach of children and pets.
- Regularly inspect the shell plates for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use may lead to malfunction or injury.
 - Ensure that all components are correctly assembled before operation.
- **Avoiding Hazards:**
 - Do not exceed the recommended cartridge specifications.
 - Always wear appropriate safety gear, such as eye protection, when using the press.
 - Do not attempt to modify or alter the shell plates in any way.
 - Ensure the press is stable and secure before operating.
- **Age Specific Warnings:**
 - This product is intended for adult use only. Keep out of reach of children.
 - Ensure that individuals using the product are trained and knowledgeable about reloading processes.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that the Breech Lock Pro Press is turned off and unplugged.
 2. Remove any existing shell plate from the press.
 3. Align the new shell plate with the mounting points on the press.
 4. Securely fasten the shell plate in place according to the press's instructions.
- **Usage:**
 1. Confirm that the shell plate is properly installed and secure.
 2. Load the appropriate cartridge (45 Auto or 45 G.A.P) into the shell plate.
 3. Follow the Breech Lock Pro Press operation manual for reloading procedures.
 4. Monitor the reloading process for any irregularities or malfunctions.
 5. After use, clean the shell plates with a soft cloth to remove any residue.

Disposal Instructions

- Dispose of any damaged or worn shell plates in accordance with local waste disposal regulations.
- Do not dispose of shell plates in regular household waste if they contain hazardous materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use of the BREECH LOCK PRO SHELL PLATES, please refer to the manufacturer's website or contact their customer support for assistance. Ensure you have the product details at hand when seeking support.

Thank you for prioritizing safety and responsible use of the BREECH LOCK PRO SHELL PLATES LEE PRECISION #2 BREECH LOCK PRO SHELL PLATE. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
