BREECH LOCK PRO SHELL PLATES LEE PRECISION

#4 BREECH LOCK PRO SHELL PLATE Safety Instructions

Introduction

Thank you for purchasing the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. These shell plates are designed for use with the Breech Lock Pro Press and are compatible with various cartridges, including 223 Remington, 380 Auto (ACP), 222 Remington, 32 H&R Magnum, and 32 S&W Long. This safety instruction guide is designed to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the shell plates out of reach of children and vulnerable individuals.
- Ensure that the shell plates are used only with compatible cartridges as specified.
- Regularly inspect the shell plates for signs of wear or damage before each use.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the shell plates only for their intended purpose with compatible cartridges.
- Do not modify or alter the shell plates in any way.
- Ensure the Breech Lock Pro Press is securely mounted and stable before use.
- Always wear appropriate safety gear, such as eye protection, when reloading ammunition.
- Follow all local laws and regulations regarding ammunition reloading.
- Be aware of your surroundings and ensure a safe working environment when using the shell plates.

Instructions for Installation and Usage

1. Installation

- Ensure that the Breech Lock Pro Press is turned off and unplugged before installation.
- Locate the shell plate holder on the press.
- Align the BREECH LOCK PRO SHELL PLATE with the shell plate holder.
- Secure the shell plate by following the manufacturer's instructions for your press model.

2. Usage

- Confirm that the shell plate is properly installed and secured before starting the reloading process.
- Insert the appropriate cartridge into the shell plate, ensuring it fits correctly.
- Follow the reloading process as specified in the Breech Lock Pro Press manual.
- After reloading, remove the shell plate and clean it as necessary.

Disposal Instructions

- Dispose of any damaged or worn shell plates in accordance with local waste disposal regulations.
- Do not dispose of shell plates in regular household waste; check with local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BREECH LOCK PRO SHELL PLATES, please refer to the manufacturer's website or contact your local retailer for assistance.
