BREECH LOCK PRO SHELL PLATES LEE PRECISION

#7 BREECH LOCK PRO SHELL PLATE Safety Instructions

Introduction

Thank you for choosing the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. This product is designed for use with the Breech Lock Pro Press and is compatible with various cartridges, including 32 Auto (ACP) and 30 Carbine. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle the product with care to avoid injuries.
- Ensure that you are using the shell plates with the correct cartridges as specified.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the shell plates for signs of wear or damage.
- Store the shell plates in a dry and secure location to prevent accidental damage or misuse.

Specific Safety Precautions for Use

- Before using the shell plates, ensure that the Breech Lock Pro Press is properly set up according to the manufacturer's instructions.
- Do not exceed the recommended cartridge specifications when using the shell plates.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Never attempt to modify or alter the shell plates in any way.
- If you experience any issues during use, stop immediately and consult the troubleshooting section of the Breech Lock Pro Press manual.

Instructions for Installation and Usage

1. Installation of Shell Plates:

- Ensure that the Breech Lock Pro Press is turned off and unplugged.
- Locate the shell plate holder on the press.
- Align the shell plate with the holder and gently press it into place until it clicks securely.
- Doublecheck that the shell plate is installed correctly before proceeding.

2. Using the Shell Plates:

- Load the appropriate cartridge into the shell plate.
- Follow the loading procedures outlined in the Breech Lock Pro Press manual.
- Monitor the reloading process closely and ensure that all components are functioning correctly.
- After completing the reloading process, remove the shell plate from the press by reversing the installation steps.

Disposal Instructions

- Dispose of any damaged or worn shell plates in accordance with local regulations.
- Do not throw shell plates in regular household waste. Instead, take them to a designated recycling or hazardous waste facility if applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the BREECH LOCK PRO SHELL PLATES, please reach out to the manufacturer's customer support or consult the product documentation.

By following these safety instructions, you can help ensure a safe and effective reloading experience with the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. Always prioritize safety and stay informed about best practices in ammunition reloading.
