BREECH LOCK PRO SHELL PLATES LEE PRECISION

#19 BREECH LOCK PRO SHELL PLATE Safety Instructions

Introduction

Thank you for choosing the BREECH LOCK PRO SHELL PLATES by LEE PRECISION. These shell plates are designed for use with the Breech Lock Pro Press and are compatible with various cartridges including 9 mm Luger, 10 mm Auto, 40 S&W, 38 Super Auto, and 38 Super. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that all users read and understand these safety instructions before using the product.
- Keep the shell plates out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when using the shell plates.
- Regularly inspect the shell plates for any signs of damage or wear.
- Do not attempt to modify or repair the shell plates; contact the manufacturer for assistance.
- Follow all local laws and regulations regarding ammunition and reloading practices.

Specific Safety Precautions for Use

- Only use the shell plates with the specified cartridges: 9 mm Luger, 10 mm Auto, 40 S&W, 38 Super Auto, and 38 Super.
- Ensure that the Breech Lock Pro Press is securely mounted and stable before use.
- Do not exceed the recommended load limits for the cartridges being used.
- Avoid distractions while using the shell plates to maintain focus and safety.
- Store the shell plates in a dry and secure location when not in use.

Instructions for Installation and Usage

1. Installation of Shell Plates

- Ensure the Breech Lock Pro Press is unplugged and in a safe position.
- Select the appropriate shell plate for your cartridge.
- Align the shell plate with the mounting bracket on the press.
- Secure the shell plate by tightening the locking mechanism according to the manufacturer's instructions.

2. Using the Breech Lock Pro Press with Shell Plates

- Load the press with the appropriate components for reloading.
- Follow the manufacturer's guidelines for operating the Breech Lock Pro Press.
- Monitor the reloading process closely for any irregularities or malfunctions.
- After use, clean the shell plates and press to maintain functionality.

Disposal Instructions

- Dispose of any damaged or worn shell plates according to local regulations.
- Do not throw shell plates in regular household waste.
- Contact your local recycling center for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with your product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience when using the BREECH LOCK PRO SHELL PLATES from LEE PRECISION. Always prioritize safety and adhere to the guidelines provided to prevent accidents and injuries. Thank you for your attention to these important safety measures.
