

LEAP MAGNIFIER MOUNT - SCALARWORKS MAGNIFIER 1.42" LEAP/06 QD MOUNT BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

Designed for Quick Detach of Your Optic

Mounting an optic always presents rifle owners with a different set of challenges. If an optic isn't needed or just gets in the way, getting it off can take time and tools. And if it's needed again, then re-mounting the optic usually means re-zeroing it. However, the Scalarworks LEAP Magnifier Mount eliminates both issues! Built to work with Aimpoint's line of tube magnifiers, the Scalarworks LEAP Magnifier Mount is built with the company's trademarked Quantum Quick-Detach mechanism. This design is impervious to recoil and provides exactly the right amount of torque needed to secure an optic to a rifle. The benefit of the design is users can remove the mount in less than 3 seconds without tools. Black-oxide finish Fits Aimpoint 3X-C, 3XMag, 3XMag-1, 6XMag-1 and other 30mm tube magnifiers Weight: 2.7 to 2.79 ounces Made in the USA The Scalarworks LEAP Magnifier Mount is sized to fit all 30mm tubes and features a symmetrical flip mechanism that allows the user to move magnifiers to the left or right side of the rifle. A telescoping clamp allows for repeatable zero with every installation.

Attributes

- Name: [SCALARWORKS MAGNIFIER 1.42" LEAP/06 QD MOUNT BLACK](#)
- Manufacturer: [SCALARWORKS](#)
- Product no.: 100032895

Safety Instructions for LEAP Magnifier Mount

Scalarworks Magnifier 1.42" LEAP/06 QD Mount

Black

Introduction

Thank you for choosing the Scalarworks LEAP Magnifier Mount. This guide provides essential safety instructions and recommendations to ensure the safe use of this product. Please read this manual carefully before installation and usage to maximize safety and performance.

General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the provided instructions.
- Regularly inspect the mount for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Keep this product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe conditions or accidents related to this product to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure the mount is securely attached to the rifle before use.
- Avoid using the mount in extreme weather conditions that may affect performance.
- Do not exceed the specified weight limit for the mount.
- Be cautious when adjusting or detaching the magnifier to prevent injury from recoil or sudden movements.
- Use appropriate eye protection when handling or firing the rifle equipped with the magnifier mount.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure that the rifle is unloaded and in a safe condition before starting the installation.
2. **Positioning:** Align the Scalarworks LEAP Magnifier Mount with the desired location on the rifle's rail system.
3. **Attachment:**
 - Secure the mount using the Quantum QuickDetach mechanism.
 - Ensure that the mount is tightened to the required torque specifications to prevent movement during use.
4. **Testing:** After installation, gently pull on the mount to check for any looseness. If it is secure, proceed to the next step.

Usage Instructions

1. **Mounting the Magnifier:**
 - Slide the magnifier into the mount's designated slot.
 - Ensure it is locked in place using the flip mechanism.
2. **Adjusting the Magnifier:**
 - To adjust the position, release the locking mechanism and move the magnifier to the desired side of the rifle.
 - Lock the mechanism securely after adjustment.
3. **Zeroing the Optic:** If the optic is removed and reattached, it may require rezeroing to ensure accuracy.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for local recycling programs that accept electronic or metal components.

Contact Information for Further Support

For any questions or concerns regarding the Scalarworks LEAP Magnifier Mount, please reach out to the manufacturer or authorized distributor for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Scalarworks LEAP Magnifier Mount. Thank you for prioritizing safety and responsible usage.
