Safety Instructions

Introduction

Thank you for choosing BARNES M/LE TACXP 10MM/40 S&W Bullets. These highquality, leadfree bullets are designed for law enforcement and personal defense. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Check the bullet's condition before use. Do not use damaged or corroded bullets.
- Ensure that your firearm is in good working order and properly maintained.
- Do not exceed the recommended load limits for your firearm.
- Avoid using bullets in firearms that are not designed for that specific caliber.
- Be aware of your surroundings and ensure that you have a safe shooting area.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

- Carefully read the firearm's manual before using the bullets.
- Load the bullets into the magazine or chamber according to the manufacturer's guidelines.
- Ensure that the firearm is pointed in a safe direction before loading or unloading.
- When ready to shoot, ensure that the safety is off and the firearm is aimed at the intended target.
- After firing, check the firearm for any malfunctions or obstructions before firing again.

Disposal Instructions

- Dispose of used or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- If you have any unused or unwanted bullets, consider returning them to the place of purchase or contacting a local law enforcement agency for safe disposal.
