HS403R Red Dot Sight Safety Instruction Guide

Introduction

Thank you for choosing the Holosun HS403R Red Dot Sight. This guide provides essential safety instructions and usage information to ensure your safe and effective use of the product. Please read this guide carefully before using the sight.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the sight away from children and unauthorized users.
- Regularly check the sight for any signs of damage or wear.
- Always follow local laws and regulations regarding the use of optical sights.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recalls or safety alerts related to this product by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Eye Injuries:** Always ensure the sight is properly mounted and secured to prevent it from falling or dislodging during use.
- **Battery Safety:**
 - Use only the recommended CR 2032 battery.
 - Do not attempt to recharge nonrechargeable batteries.
 - Dispose of used batteries according to local regulations.
- **Environmental Considerations:**
 - Avoid exposing the sight to extreme temperatures or moisture.
 - Clean the lens with a soft, dry cloth to prevent scratches.
- **Proper Handling:**
 - Do not point the sight at any person or animal.
 - Always treat the sight as if it is loaded, even when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before attaching the sight.
- Use the included low mount or 1/3 cowitness mount to secure the sight to the firearm.
- Align the sight with the Picatinny or Weaver rail and tighten the mounting screws securely.
- Verify that the sight is properly aligned before use.

2. Using the Sight:

- Turn the Rheo Stat Dial to adjust the brightness of the red dot according to your environment.
- Ensure that the dot is clear and visible before aiming.
- Practice aiming and shooting in a safe and controlled environment to become familiar with the sight.

3. Maintenance:

- Regularly inspect the sight for loose screws or components.
- Replace the battery as needed to ensure optimal performance.

Disposal Instructions

- Dispose of the sight and its components in accordance with local regulations.
- Remove the battery before disposal and recycle it properly.
- Do not dispose of the sight in regular household waste.

Contact Information for Further Support

For any inquiries or further support regarding the HS403R Red Dot Sight, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Holosun HS403R Red Dot Sight!
