

1911 TACTICAL CARRY COMPACT - 1911 TACTICAL CARRY 9MM COMPACT

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

The Tactical Carry Compact has been designed by Bill Wilson as a next generation compact custom pistol and is an ideal choice for an everyday carry piece when maximum concealability is required. The Compact steel frame and slide fitted with our Bullet Proof® round butt one-piece magwell enhances reloading under stress. The Tactical Carry also comes complete with many of our most popular performance and cosmetic options, like carry cuts, ball end mill slide cuts, serrated top and rear of slide and countersunk slide stop post. The reduced profile concealment grip safety and hammer in conjunction with round butt magwell guarantees that the Tactical Carry will be a Bullet Proof® performer for you on the range or on the street. Safety Instruction Guide for the 1911 Tactical Carry Compact

Introduction

Thank you for choosing the 1911 Tactical Carry Compact. This product has been designed with safety and performance in mind. It is essential to understand the safety guidelines and usage instructions to ensure a safe experience. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with the necessary information for safe use.

General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm securely and out of reach of children and unauthorized users.
- Use only the recommended ammunition specified for this firearm.
- Regularly inspect the firearm for any signs of wear or damage.
- Always wear appropriate eye and ear protection when using the firearm.
- Be aware of your surroundings and ensure a clear range before shooting.
- Do not consume alcohol or drugs before or while using the firearm.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure the magazine is removed and the chamber is empty before handling the firearm.
- Always keep your finger off the trigger until you are ready to shoot.
- Use the safety features provided, including the Bullet Proof® Ambidextrous Thumb Safety.
- Be cautious when reloading; ensure that you are in a safe position.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- If you experience a malfunction, follow the manufacturer's guidelines for troubleshooting and clearing jams.

Instructions for Installation and Usage

Installation

- Ensure the firearm is unloaded before installation.
- Attach the G10 Starburst Grips using the Torx Head Grip Screws provided.
- Confirm that the grips are secure and do not interfere with the operation of the safety features.

Usage

- To load the firearm:
 - Insert a loaded magazine into the magazine well until it clicks into place.
 - Pull the slide back and release it to chamber a round.
- To fire the firearm:
 - Aim at your target, ensuring a clear line of sight.
 - Place your finger on the trigger only when you are ready to shoot.
 - Squeeze the trigger smoothly to fire.
- To unload the firearm:
 - Remove the magazine from the magazine well.
 - Pull the slide back to eject any chambered round.
 - Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- If the firearm is damaged beyond repair, contact a qualified gunsmith for proper disposal.
- Do not dispose of ammunition in regular trash; follow local guidelines for hazardous waste disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the 1911 Tactical Carry Compact, please refer to the manufacturer's official website or contact your local dealer for assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 1911 Tactical Carry Compact. Always prioritize safety and be responsible in your usage of firearms.
