

IMPACT SPORT ELECTRONIC EARMUFFS - HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM BLACK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

Protects Hearing, Amplifies Conversation & Range Commands

The Howard Leigh Impact Sport Electronic Earmuffs offer compact, lightweight electronic hearing protection allowing you to hear conversations and range commands, while blocking out dangerous noises like gunfire. Internal ultra-fast response electronics amplify ambient sounds to a safe 82 decibels (dB), yet shut down when sounds above 82 dB are detected to let the muff's passive hearing protection take over. When the earmuffs are in amplification mode, directionally placed stereo microphones even help you hear where the sound is coming from. Built-in AUX input accepts 1/8" (3mm) stereo plug (patch cable included) to connect an MP3 player, radio, or other audio. The Impact Sport Electronic Earmuffs feature an automatically shut-off that activates after 4 hours to preserve battery life. Bottom half of the low-profile ear cups angles in sharply to ensure plenty of clearance when shouldering long guns. Cups fold up neatly into the adjustable head band for convenient storage.

Attributes

- Name: [HOWARD LEIGHT IMPACT SPORT ELECTRONIC EARMUFFS MULTICAM BLACK](#)
- Manufacturer: [HOWARD LEIGHT](#)
- Product no.: 100034885

Safety Instruction Guide for Howard Leight Impact Sport Electronic Earmuffs

Introduction

Thank you for choosing the Howard Leight Impact Sport Electronic Earmuffs. These earmuffs provide essential hearing protection while allowing you to maintain awareness of your surroundings. This guide outlines important safety instructions to ensure your safe and effective use of this product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the user manual before using the product.
- Ensure that the earmuffs are suitable for your intended use and environment.
- Regularly inspect the earmuffs for any signs of damage or wear.
- Keep the earmuffs out of reach of children when not in use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the earmuffs in environments with noise levels exceeding 82 dB, as they are designed to protect against such sounds.
- Ensure a proper fit by adjusting the headband to achieve a snug yet comfortable fit.
- Avoid using the earmuffs if they are damaged or malfunctioning.
- Do not modify or tamper with the electronic components of the earmuffs.
- Use the earmuffs only for their intended purpose of hearing protection.
- Be aware of your surroundings when using the earmuffs in amplification mode, as they can amplify ambient sounds.

Instructions for Installation and Usage

1. Fitting the Earmuffs:

- Adjust the headband to fit comfortably on your head.
- Ensure that the ear cups fully cover your ears for maximum protection.

2. Using the Amplification Feature:

- Switch the earmuffs to amplification mode to enhance ambient sounds.
- Be mindful that sounds above 82 dB will trigger automatic shutoff to protect your hearing.

3. Connecting External Devices:

- Use the builtin AUX input to connect an MP3 player or radio with a 1/8" (3mm) stereo plug.
- Ensure that the volume on the external device is set to a safe level before use.

4. Power Management:

- The earmuffs will automatically shut off after 4 hours of inactivity to preserve battery life.
- Replace batteries as needed, following the manufacturer's instructions for battery replacement.

Disposal Instructions

- Dispose of the earmuffs in accordance with local regulations regarding electronic waste.
- Remove batteries before disposal and recycle them according to local battery recycling guidelines.

Contact Information for Further Support

For any safety inquiries or support regarding the Howard Leight Impact Sport Electronic Earmuffs, please refer to the contact information provided in the product packaging or on the manufacturer's website.

Thank you for your attention to these safety guidelines. Proper use and care of your Howard Leight Impact Sport Electronic Earmuffs will help ensure your safety and enjoyment while using this product.
