Safety Instruction Guide for Phase 5 AR15 Chrome Lined Bolt Carrier Group

Introduction

Thank you for choosing the Phase 5 AR15 Chrome Lined Bolt Carrier Group. This product is designed to enhance the reliability and performance of your AR15 rifle. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Store the bolt carrier group in a secure location, away from children and unauthorized users.
- Inspect the bolt carrier group regularly for signs of wear or damage.
- Use only compatible ammunition (223 Remington, 5.56 mm NATO) with your AR15.
- Ensure that all components are installed correctly before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the bolt carrier group in any way.
- Always wear appropriate eye and ear protection when using firearms.
- Ensure that your rifle is pointed in a safe direction at all times during handling.
- Be aware of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing bolt carrier group from the upper receiver.
- Carefully insert the Phase 5 AR15 Chrome Lined Bolt Carrier Group into the upper receiver, ensuring it is aligned correctly.
- Securely attach the gas key and cam pin as per the manufacturer's specifications.
- Doublecheck that all components are firmly in place before proceeding.

2. Usage:

- Load the firearm with compatible ammunition (223 Remington, 5.56 mm NATO).
- When ready to fire, ensure the safety is in the "fire" position.
- Fire the weapon only in a controlled environment, following all safety protocols.
- After use, clean and maintain the bolt carrier group according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of the bolt carrier group in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Phase 5 AR15 Chrome Lined Bolt Carrier Group, please reach out to the EUbased contact provided with your product documentation.

Conclusion

By following these safety instructions, you can ensure the safe operation and longevity of your Phase 5 AR15 Chrome Lined Bolt Carrier Group. Always prioritize safety and compliance with local laws when handling firearms. Thank you for your attention to these important guidelines.
